

Dear Coolangatta SLSC Member,

Surf Life Saving Queensland has launched its own e-learning platform which is independent from the SLSA one you have used in previous years to complete your online Skills Maintenance Theory Paper/Questions. The new SLSQ platform will work from any device and works with any internet browser. As this is the first year of use, you will need to create your account by choosing your own username and password and by providing some basic details so that we can help your club keep track of what you have completed. Please make sure you keep your username and password safe.

All active patrolling and award members will need to complete the 2016/2017 Skills Maintenance. Follow the directions provided below to get started.

Step 1: Type **elearning.alaq.com.au** into your internet browser URL bar. Once you arrive at the launch page you will need to click on '**Login**' at the top right of the screen.

Step 2: Since this is your first time here, you will need to click on the '**Create new account**' button which appears on the screen.

Mandatory fields must be completed (if you have dual club memberships, enter the club name where you will be completing courses/skills maintenance).
