

COOLANGATTA SURF LIFE SAVING CLUB

59TH ANNUAL REPORT AND FINANCIAL STATEMENTS

SPONSORS AND PARTNERS

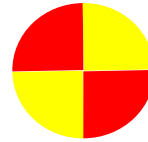

We would sincerely like to thank all our sponsors and partners that have assisted Coolangatta SLSC to have such a successful year.

The Coolangatta Surf Life Saving Club Inc. has been the recipient of several large donations from the Gold Coast City Council and the Queensland Government and indeed we are very grateful.

Club members have also had unwavering support from the Coolangatta Surf Life Saving Supporters Club from which their success has been crucial in consolidating the Club's financial position. We wish to offer our sincere appreciation to the Supporters Club for their continual outstanding efforts and the opportunities this provides the Club.

On behalf of all members please accept our thanks to everyone who has donated to the Club, both for their time and financial support.

Mission Statement

Coolangatta Surf Life Saving Club Inc, is committed to being a valued part of the local community by providing competent patrols on Coolangatta Beach, participating in community activities and providing excellent training and facilities for club members.

Statement of Business

Coolangatta Surf Life Saving Club is an incorporated association formed to promote Surf Safety along Coolangatta Beach. It does this by providing training, facilities and competitive opportunities for volunteer members. At the same time it is actively involved in the local tourist and hospitality industries participating in community events and the operation of the Supporters Club.

Values

Preservation of Life
Community Service
Team Work
Respect

Goals

MEMBERSHIP & AWARD STATISTICS

PRESIDENTS REPORT

Firstly I would like to personally thank all of our members for their many hours of time, dedication and support that was voluntary given to our club to ensure the safety and well-being of all our beach visitors.

1. Patrolling Season

Coolangatta SLSC can proudly boast again that there were no lives lost on our beach throughout the 2016/17 patrolling season. Our dedicated Lifesavers put in a massive 6,134 hours patrolling our beach. They completed 33 rescues, 135 preventative actions, 278 First Aid Treatments and warned 2696 people about possible dangers to keep our beach safe. Taking into account we had 36,080 visitors on our beach these figures are very impressive. Thanks again to every Coolangatta Surf Club Member for making our Club a great Club.

2. Fund Raising

As well as patrolling duties the majority of our members participated in all of our regular fundraising activities that include Cooly Rocks On, House to House collection day in Brisbane, Coolangatta Gold, monthly Market BBQs and the three weekly raffles in our Supporters Club. These fundraising activities are unfortunately a necessity, without these activities we would struggle to be financial enough to purchase the gear and equipment required to help us do our job of saving lives.

3. Event Highlights

A major highlight for Coolangatta SLSC on Sunday the 30th of April was our Bronzies Day combined with our Annual Fallen Lifesavers Memorial Day.

This is a very special day where we as a club gather together to congratulate and honour our new Bronzies. Bronzies Day is now an integral and important day in our club's culture and future. This year Surf Life Saving Queensland has joined us in remembering our Fallen Lifesavers. Big thanks go to Danny Hoyland, Belinda Doman, Matt Kirkham and Stuart Marshall and all the other helpers for making this day possible. To start the morning off Danny invited a couple of very distinguished guests along to take part in the new Bronzies ceremony. These guests included, Victoria Cross recipient and one of the most decorated soldiers in Australian military history - Mr KEITH PAYNE VC AM, and his lovely wife Flo, Federal Member for MacPherson Mrs Karen Andrews, State Member for Currumbin Mrs Jann Stuckey, State Member for Burleigh Mr Michael Hart, our own local favourite GCCC Councillor Ms Gail O'Neill, SLSQ Chief Operations Officer George Hill ESM, SLSQ President Mark Fife OAM, SLSQ Gold Coast Regional Manager Lachlan Sherrington and SLSQ Point Danger Branch Manager Kerrie Barnes.

Mr Keith Payne proudly presented each of the 36 new Bronze Medallion holders with their very own patrol cap that had been embroidered with their name and award number. Warm welcome to all our new Bronzies.

Everyone at the ceremony was very impressed with the inspirational speech delivered by new Bronzie Marleigh Dreyer on what Surf Lifesaving means to her; well done Marleigh you are going to be a future leader in Surf Lifesaving.

At the conclusion of the formal cap presentations, we remembered our own, the Fallen Lifesavers and family members who had passed away this season. A large number of our members fully dressed in their patrol uniforms along with our Distinguished Guests stood in line at the water's edge and watched on as four of our IRB's, Wave Runner 1 and the Westpac Lifesaver Helicopter placed wreaths at sea. This event was broadcast on all local TV channels and has certainly given Coolangatta SLSC a lot of fantastic positive publicity.

4. Sponsors

We are very fortunate to have Danny Hoyland as our Vice President of Marketing and Sponsorship, his continual effort to secure sponsors is amazing. Thanks to Danny we have secured sponsorship from the Brisbane Broncos. Danny is also responsible for applying for the various grants that become available for Surf Lifesaving Clubs, these grants help us to purchase necessary gear and equipment throughout the year.

Club sponsors are extremely valuable to us and are very much appreciated; we sincerely thank these generous businesses for supporting us and hope that they continue to do so in the years to come. Local businesses such as Woolworths in Coolangatta who donated thousands of dollars in meals over the season for each patrol group every weekend, Bakers Delight Coolangatta who donate hundreds of loaves of bread each season for our Nippers and fundraising BBQs, Jack and Elaine Hogben for kindly donating office supplies plus Amcal Chemist the Strand Coolangatta who donate first aid supplies. These people cannot be thanked enough for their generous support. Thank you all.

Let us not forget the support we receive from our own Supporters Club. Thank you to General Manager Bryan Jones, all his staff and the Supporters Club committee, our patrolling members are very grateful for the food supplied to each Patrol.

Since the renovations the Supporters Club has been going from strength to strength by winning many awards, this year the Supporters Club were again in the running for major awards at the Clubs Queensland Awards for Excellence Night. Coolangatta were finalists in Responsible Service of Alcohol, Outstanding Safety and the Best Club on the Gold Coast. Great job again Bryan.

We are very lucky to have such a successful Supporters Club contributing financially to the Surf Club, we are one club, Coolangatta Surf Lifesaving Club, keep up the good work and well done to all.

5. Special Needs Program (Bluebottles)

Another fantastic initiative that CSLSC has run for the past few years is the Bluebottles program. This very popular program is designed to help children and adults with special needs enjoy the beach and surf under the safety and guidance of our Lifesavers. This fantastic program is proving to be even more popular each year. Thank you to Christine and Stuart Marshall for their dedication to the program this season and to all our other members who came down to the beach to be part of the activities, you are appreciated by everyone.

6. Membership Drive

Coolangatta SLSC is still actively running a very successful new membership drive that has proven to boost our total members in all areas of our club.

Membership

Overall – Increase of 32.93%

Nippers – Increase of 50%

Active (Cadet, Junior, Senior) – Increase of 20.15%

This season we had 18 Life Members, 110 Active Seniors, 23 Long Service, 97 Associate Members, 19 Award Members, 41 Junior Lifesavers, 4 Cadet Lifesavers and 111 Nippers; this gave us a total of 444 members this year on our books compared to 349 the previous year. Our goal is to build our members number to at least 500 for the 2017/18 season. We have maintained the lower membership fees again for this coming year by sticking with the 1980s rates. A lot of hard work still needs to be done to take advantage of these lower fees and build our membership numbers. We need to protect our future and attract more members to our Club. It is of ultimate importance that we increase our young members within our Nipper ranks and then that will eventually flow on to all other areas of the club. By bringing new members to our club we will be able to boost our Nipper squads and senior competitor numbers; this will also enable all age levels to have enough members to compete in team events. Another positive aspect we are starting to see more of now is the number of families that are joining our club as Nipper Parents and then go on themselves to get their Bronze Medallion. Most of these parents then start doing Patrols, help with Water Safety and some even competing at carnivals for Coolangatta. Great to see this involvement.

7. Training and Awards

Belinda Doman has once again excelled in her role as Chief Training Officer and this is shown by the large number of new awards that were processed. Thank you Belinda, you are an extremely valuable member of our Club. We must also thank all of our in-house trainers and assessors, well done to a great team. Awards gained; 7 Training Officers, 9 Beach Management, 65 Resuscitation Certs, 3 Gold Medallions, 70 ART, 51 First Aid Certs, 36 Bronze Medallions, 10 SRC, 8 IRB Drivers, 26 IRB Crew, 17 ATV, 18 Tractor, 13 Observers Certs, RWC 1, Level 1 official x 1, 2 Junior officials, 104 Junior Age Awards and 44 Radio Certs.

8. Annual Award Winners

Our annual awards and presentation night held on the 3rd June turned out to be a fantastic evening. This year there was again an impressive list of happy winners and I congratulate and thank you all – you are what make Coolangatta such a fabulous club.

9. Competitors

Well done to all of our competitors who competed at Branch, State and Australian Titles. We have a small team that has a lot of heart.

10. Member of the Month Award

During the season the club decided to re-introduce the Member of the Month award as it was becoming apparent there are members who go above and beyond to help and support our club. Well done to the following members.

Naomi Currie
December

Dion Ezzy
January

Annette Alexander
February

Scott Hooper
March

Christine Marshall
April

Paul Teitzel

Jess Dreyer
June

Finally, a big thank you to my colleagues on the Management Committee, your support, assistance and dedication to Surf Lifesaving is second to none. I believe we have a very strong and stable committee. Every committee member has put in many hours of volunteered time working hard to ensure that CSLSC is given the best possible management to maintain and grow our club. Thank you to Phil Wyper as my Deputy President, your assistance and knowledge was very much appreciated. Thank you to Di Geddes our fantastic Office Administrator for all her help and assistance, I am sure that every Coolangatta member would agree that Di is forever helpful, polite and professional in her job. Thank you also to our Point Danger Branch officers and staff, to Kerrie Barnes and Ken Hunter for all your assistance throughout the year.

Garry Bell
Hon. President

VICE PRESIDENT - SPONSORSHIP & MARKETING REPORT 2016-2017

Volunteers are the only human beings on the face of the earth who reflect this nations' compassion, unselfish caring, patience and care for one another.

Our Members are the most important asset we have at Coolangatta SLSC. Accordingly I would like to sincerely thank all the members for helping make this Surf Life Saving Club a great place to be a part of. To our Volunteer Surf Lifesavers, Nippers (our future), Associates and Age Managers, Families THANK YOU!

Without you, **the members**, we would not be able to provide a first class community service to the beach going public. We definitely save lives by our presence on Coolangatta beach. To the Management Committee, a huge thank you to Hon. President Garry Bell, Hon. Secretary Matt Kirkham, Hon. Treasurer Damian Ling, Chief Training Officer Belinda Doman, Clubhouse Director Stuart Marshall, Gear Stewart Greg Piper and Office Manager Di Geddes.

We continued to submit Grants throughout the season and we were successful with Strengthening Communities Volunteer Grant for \$5,000, and the QLD Cancer Fund Sun Smart grant for \$880 (Sun Shades). The Volunteer Grant was for first aid and resuscitation equipment – a baby Annie Manikin (with bag), Little Annie Manikin (with bag), pocket masks, CPR meter and the Brayden CPR advanced training Manikin, vital training equipment for our ever efficient CTO Belinda Doman who is one of the best training officer in Surf Life Saving.

Thank you to Transit Australia Group for donating a new rescue board.

Brisbane Broncos Rugby League Football Club: This season we went back to our original roots of rugby league (foundation membership recruitment in the early days) receiving financial sponsorship to the sum of \$10,000. Thank you to Chairman Dennis Watt and his Board for their generosity.

To our Hon. Patrons Noel and Sue Holmes for their ongoing support and generosity. Noel and Sue own Mc Kern Chartered Accountants, Daily Press, and the Coolangatta Pie Shop and last season Noel and Sue donated \$48,000 for the purchase of the club bus. Noel has requested we support one of his favourite causes- Shake It Up finding a cure for Parkinson's disease shakeitup.org.au.

Coolangatta Surf Life Saving Supporter's Club - Thank you to the Supporter's Board and General Manager Bryan Jones and his ever efficient Staff for operating a first class award winning restaurant. In the Keno and Clubs Queensland awards for excellence Coolangatta SLSC Supporter's Club were a Finalist in Best Club Gold Coast, Finalist Outstanding Safety, and a Special award Responsible Service of alcohol. Great view, great staff, great financial support to the volunteer Surf Lifesavers!

We have organised sponsorship partnerships for 2017 – 2018 season from **7 Eleven** to purchase Nippers rashies, and **Birch Carroll and Coyle** Coolangatta (movie passes, movie promotions etc).

Thank you to our loyal and valued Sponsors: **SUNSET SIGNS** (Jeff and Carol Best- over 4 decades of support)), **WOOLWORTHS** Coolangatta The Strand, Trudi Stevens **AMCAL CHEMIST** the Strand, **BAKER'S DELIGHT** (Glenda & Barry Alexander), and **OFFICE CHOICE**. Our sincere thanks to Jack and Elaine Hogben for their sponsorship over 2 decades, **Australian Government, Queensland Government, Surf Life Saving Queensland, Point Danger Branch** (Kerrie Barnes), **CouplerTec** (Garry and Arlean Bell), **Grill'd** (Paul Milner), **Earth n Sea** (Fergus and Victoria Sillar), **Noodle Box**, **Summit Press**, **Zarrafra's Coffee** (Marcus & Melissa Free), and **Gelatissimo** (Ted Theodore).

The broadest and maybe the most meaningful definition of volunteering: "Doing more than you have to because you want to, in a cause you consider good".

Golf Day July 7th 2017 Tweed Coolangatta Golf Club- Thank you to Steve Ackerie aka Stefan the famous hairdresser and Rose King for donating a brand new set of golf clubs and numerous Stefan products for use as prizes at the annual golf day organised by Life Members Geoff Hamlet and Jeff Best.

Thank you to our Patrons Noel and Sue Holmes for donating again a substantial sum of money towards our golf day, **BRANELL HOMESTEAD** Laidley in the Lockyer Valley, **Graham Church Currumbin Constructions**, **Rainbow Bay Realty**, **Michael Sullivan** accountants, the **Surf Club Coolangatta**, **Craig and Jeff Best (Sunset Signs)** and the **Coolangatta Tweed Golf Club**.

At the time of writing this report, we had a very encouraging meeting with CHESTERFIELD AUSTRALIA in the City of Logan. We presented a formal sponsorship partnership proposal for a new Tractor. Hopefully by the beginning of this season, we will have a new CHESTERFIELD tractor.

We have such a committed group of surfboat rowers, thanks to the leadership of Sean "Agro" Smith, so we believe we need to support our Boaties with a new Surfboat. We have submitted a corporate sponsorship proposal to Gold Coast Airports and further we also applied for a Gambling Community Grant for a new Surfboat and trailer. Fingers crossed as they say! The Boaties deserve a new surfboat.

I would like to thank Tamara Smith for assisting me with the design and production of Sponsorship proposals, and Naomi Currie for producing and updating the sponsor's page.

I would like to compliment the members who attended Bronzies day, and Fallen Lifesavers Memorial day on Sunday 30th April 2017. We were honoured to have Keith Payne Victoria Cross recipient as our special guest who presented the famous red and yellow cap to 24 new Bronze recipients qualifying them as volunteer Surf Lifesavers. We received lots of positive media with the event being broadcast on Channel 10 nationally, Channel 9, 7 and 2 and in the Gold Coast Bulletin plus social media.

I would like to sincerely thank Stu Marshall and Greg Piper our new Life Member - the dynamic duo what wonderful "go to" men, efficient, and pro- active, Belinda Doman who I respect so, so much for the excellent work she does producing passionate, proficient Surf Lifesavers, Garry Bell our President for his support to let me "just do it", Office Manager Di Geddes who helps me all the time and to all the members who give something back to the club in their own special way – we appreciate you! A special thank you to Phil Hammond who goes about his business without fuss and just does so much for his beloved Coolangatta club, those one percenters! Remember we are a very unique humanitarian organisation – We save lives! When you have the privilege to care for other human beings, when you walk down onto our magnificent beach to do a beach patrol, you are wearing the iconic respected Australian red and yellow Surf Lifesavers uniform and cap. The general public respect us by virtue of that uniform, and they trust us to protect them, their families and their kiddies. It is a massive responsibility being a frontline Surf Lifesaver, a job we should all take seriously. Can I conclude by complimenting the youth of Coolangatta SLSC and our Nippers. They are a credit to their parents and the club- wonderful, positive, well mannered, committed kids.

Volunteering is an act of heroism, it's an act of heroism on a grand scale. And it matters profoundly. It does more than help people beat the odds; it changes the odds.

When it's hot in Brisbane, it's Coolangatta, Coolangatta for me oh yeah!

Danny P. Hoyland OAM
Vice- President Sponsorship & Marketing.

SECRETARY'S REPORT

2016/2017 season has seen another positive and fruitful season with many achievements from all areas of the club.

In terms of the clubs governance we have now adopted a new and improved Club Constitution aligned with SLSQ and current legislation and this has also led to a review in the clubs by-laws to align with this new constitution. This is a positive step for the club

We have been building great community reputation with many organisations and businesses approaching us for support or partnerships. This is positive as the Cooly Spirit becomes contagious across surf life-saving.

Without a doubt this has been a positive and successful season and this was well and truly highlighted when we wrote a nomination for Club of the Year.

Another great year for Coolangatta SLSC.

Matthew Kirkham
Hon. Secretary

TREASURER'S REPORT

This year we have seen an increase in total income for the year on par with the improvement on our end of year cash at bank at end of financial year from \$38,715.53 in 2017 to \$61,276.91. An overall increase of cash at bank \$22,561.38 and more importantly sitting within managements target of \$28,000 cash reserve.

This year we have seen the club focus on a variety of projects and investments in members, including;

- Increased social events at minimal cost to members
- Added fob access to the Office and Board / Ski entry door
- Upgraded the whole of club security system from analogue to digital
- Changed security monitoring company to make best use of system upgrades and prepare for the NBN
- Arranged install of Foxtel to the club premises
- Invested heavily in SLS awards and training material / equipment
- Caps / Broad brim hats for all patrolling members
- Rash shirts for all IRB drivers and crew
- Changed from Gmail to Office365 which has been well received and provides a range of features that we are in the process of working through to improved efficiencies.
- Insurances being financed through our brokers, ensuring stable and consistent cash flow throughout the entire season.
- Increased cash reserve has allowed us to purchase a new surf boat

Outside of this, the club is continuing to develop systems and procedures that complement our current operating standards to provide clear documentation, transparency and point of review to improve long term efficiencies as part of our regular ACNC audit process with SLSQ.

This year, we have seen a large adjustment to the asset register that has seen several items; some dating back to 1987, removed to ensure that the register is a close reflection of the premises and depreciable assets that the club holds.

We saw good results at major fund-raising events which is incredibly important as these funds raised are effectively the cash that the club has available to directly re-invest in members via training, equipment, accommodation and various functions / activities.

- Cooly Gold total profit including hosting fees payable from SLISA was \$12,621.38; \$1,887.52 being derived directly from the BBQ on both days.
- Surf Appeal only \$4,193 which was an increase on the previous year but we can achieve so much more this season. We have already secured Bunnings and this season we will be running the BBQ at the Cannon Hill Bunnings for the first time in our collection area. An increase of \$1,218 from last year
- Although after the end of financial year, the 2017 Cooly Rocks On festival also netted the club \$5,236.64. Unfortunately, the weather played its part and we saw a decrease in income of around 50% from last year with takings down from \$15,159 to \$8,424 this year.
- Our BBQ income is down from last year owing to a few BBQ's being missed through many factors including unfavourable weather. One of the main influences on the overall decrease in income at these BBQ's is the increase in competition from other food vendors within the market area.
- The club has now started to organise BBQ's at Bunnings to look to boost these figures and the last one held at South Tweed proved successful with a good range of members offering assistance during the day.
- Again, a great result from raffles bringing in over \$50,000

Over the past 12 months, we have seen the total of the renovation loan decrease by \$151,093; which is a great result.

Big thanks to the supporter's club again for their continued support providing a total of \$584,493 of cash and in-kind contributions to the operation of the club.

Great work #teamcooly

Damian Ling
Hon. Treasurer

WESTPAC LIFESAVER HELICOPTER RESCUE SERVICE

HELI LEGEND #6

2016 was the 40th anniversary of the Westpac Lifesaver Helicopter Rescue Service Gold Coast.

Coolangatta Life Member Daniel Hoyland was an original crew member and flew the first helicopter patrol with another Coolangatta SLSC member Bryan Boulton in 1976.

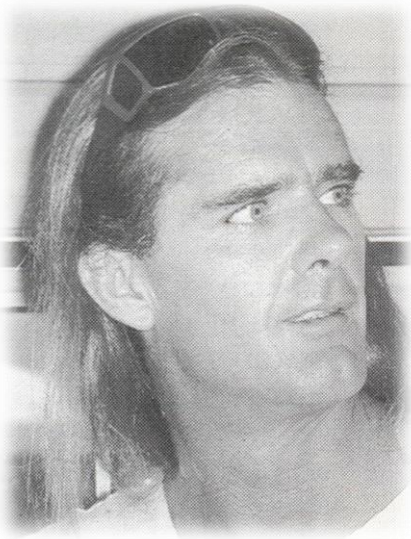

To celebrate 40 years service to the GC community, Surf Life Saving Queensland selected only 6 crew members to be called **Heli Legends** for their contribution to the HRS over that 40 years.

Congratulations Danny – Coolangatta SLSC is extremely proud.

Danny P. Hoyland OAM
Awarded No 6 Heli Legend

GOLD COAST SURF COM

Michael "Coinsy" Mahon completed his 40th season of patrolling at Surf Com and was the first operator to open transmission from Coolangatta SLSC when the service started in 1976.

Well Done Coinsy

COACH REPORT

The season of 2016/2017 has been a year dedicated towards rebuilding and increasing numbers within our Club. It was a decision made early on by the Management Committee, due to the strains on everyone's lifestyle and other personal commitments that our focus for the Club should be GROWTH. This has been very positive not just through our seniors but also our Nippers. The work behind the scenes has been fantastic and for those members, who have given tirelessly, not only this year but for several years past, should feel very proud of the position our club is presently. Numbers are up in every area but even more exciting is the comradery that is at an all-time high. Therefore, on behalf of all members and competitors a very big THANK YOU to our Management Committee for an outstanding season.

Last winter we saw many great results at both State and Aussie Pool Rescue competitions. For such a small club we certainly packed a punch and achieved well above our weight. The dedication shown by those participating in both events was amazing. I look forward to seeing more of our members join in these events as they are very different to our surf competitions but improve and increase our rescue skills and techniques allowing us to then simulate these new skills into surf lifesaving. You don't have to be the fastest swimmer to do well, as the technical side of the events creates great achievements in Pool Rescue. The many team events also are mostly over 50 metres per leg therefore I encourage everyone to come along, join in the fun and have a go!

Coolangatta Gold was once again another stand out performance for our teams with great results and individual successes resulting in the teams doing extremely well. Our Endurance training is already under way so if you are tempted to put your hand up to be involved in a team come along. This event is a great way to start the new season particularly as the Qld Endurance Championships will be held prior to the Gold this year giving us all a good hit out after the long winter months of training.

The main surf season suffered many interruptions and challenges including the postponement then cancellation of our Branch Titles as well as the open division of Aussies resulting in the State Titles being the only full carnival all season. Our results at State Titles were very pleasing in both Masters and Juniors and for the first time had finalists in both the male and female belt races, so to all involved thank you and belt up next year for a massive ride.

Congratulations to the Boaties on their big year, with numbers up and new Junior crews rowing creating a real buzz around the boatie area. It's great to see these new crews competing and even better hearing our Club name being called in the races. A big thanks to Agro for his drive and his efforts in putting oars into many members hands increasing the numbers of people seen around the club regularly. The boaties flew our colours well at State with crews medalling so let's continue to aim high and fly our flag across all fields next season.

At Aussies we only saw Youth and Masters Championships with our members racing to the best of their abilities giving some pleasing results. We look forward to improving our growth and development over the next few seasons.

A special thank you goes to Danyelle Lipponen who undertook a massive job with both Director of Sports and Team Manager. Your time and efforts must feel never ending but are definitely appreciated. So from all involved in competition once again THANK YOU. I would also like to thank Wayne Flanagan for his efforts throughout this season. Your support and time given through the challenges I faced personally were very much appreciated and recognised. These challenges would have been much greater for me if you hadn't given to the Club and our members during this time.

Looking forward to the season ahead with the support of a strong Committee and member numbers on the increase let's strive for an even better club. Remember training is for everyone, not just competitors so if you want to improve your fitness or surf skills come down. You never know what could be if you don't try.

See ya on the beach!

Rick Van Kampen
Head Coach

DIRECTOR OF SURF SPORT

Team Cooly had a great Pool Rescue Season with our U11 having a great time in their first ever Pool Rescue competition. The team competed in the Branch, Sunshine Coast and Gold Coast competitions before trying their luck at the Qld State Pool Rescue Championships where Chloe and Georgia came away with a silver medal in the Patient Tow. Our Seniors and Masters also performed well at State and Aussies with a hall of Medals across the board with Tahníe, Rick and Danyelle coming away with Gold at State and Susie and Danyelle coming away with Gold at Aussies. Once again a great Pool Rescue Season

State Endurance started up our season in readiness for the Coolangatta Gold. We had a small team compete but came away with quite a few medals Gold for Rohan and Billy, Silver for Danyelle, Susie and Brian and a Bronze for Danyelle.

Then came our 5 Teams on the Coolangatta Gold Short Course
Masters of Cooly
2nd (Rick, Russell, Nick & Vince)
Gatta Girls 3rd (Caroline, Susie, Danyelle & Jane)
Cooly Opens Mixed 9th (Kahníe, Jess, Shaun, Sam)
Cooly International Masters Male 16th (Brad, Gus and Luis)
Long Course SBBR
Open Mixed 3rd Stuart, Carly, Nicholas & Ryan

We also had Tahníe and Amy selected in the Point Danger Interbranch team to compete in the Interbranch Championships against the 3 other branches in Qld. of which we won the handicap.

Our Boat Crews have grown enormously and have done really well with some members this being their first season competing. A big congratulations to the crew as they had a dabble in a few carnivals before State and Aussies. The masters ladies had some bad luck with injuries but they will be back bigger and better next season. Congratulations to the Masters Casuals Crew and the U19 Shepherds on their Bronze at State.

We really did have a fun season with State and Aussies at home this year which gave us a great advantage. State was very successful with Gus winning Gold in the Board Riding. Nick and Billy also winning Gold and our U17 March Past winning Silver

Our Nippers also had a successful Qld State Titles in Hervey Bay with a small team of 15 and they did the club proud.

Surf Swim.

Then our Masters hit the beach and water with some memorable results with Rick, Nick Phil & Billy winning a Bronze in the 230yrs Beach Relay. Nick receiving a Bronze in the 2km beach run, Rohan Bronze in the Masters Sprints, Rick Bronze in the Masters Board Race and Gus Silver in the long board and Gold in the Short board in the Board Riding Championships.

Our opens team was small but their hearts are big and they had their team events starting on Wednesday with the U17 Girls and U17 boys taking their hand at the Board Relay, Taplin and Board Rescue. We also had an Opens Female team this season with Kahlie, Tahnine and Anais having some fun in the Taplin and Board Relay. Everyone had a great time and lots of smiles as they finished their events.

Unfortunately, that was it for the water events at Aussies as the carnival was cancelled due to the weather but that didn't stop team Cooly as the Boaties thought they would see what these sand events were all about and took on the best in Australia at the flags and sprints. I think they surprised themselves and did really well.

Our U17 March Past team took to the sand once again and came away with a 5th.

All in all it was a great season and I would like to thank our Officials, Water Safety, Coaches, Competitors and Parents for a great season and I look forward to seeing you all again in the 2017/18 season.

Signing off

Director of Surf Sports
Danyelle Lipponen

Assisting as an IRB Driver at IRB Training Courses & Providing IRB Water Safety at Carnivals

Rick Van Kampen

Assisting with Bronze Training Courses

ANNUAL DINNER & AWARDS NIGHT

LIFE MEMBER RECIPIENT

Greg Piper has been a committed, and dedicated club member for 18 seasons joining as Nipper Dad on the first of September 1998.

From the time he joined, Greg was a quiet achiever, a doer who went about his club business fixing things that needed to be fixed without being asked to do so, and not looking for recognition. He is truly humble about what he has done for his beloved Coolangatta SLSC. Nothing is too much trouble and he never complains.

As **Gear Stewart for 14 years**, Greg got things done. As a qualified Mechanic, he fixed/repaired and serviced the Tractor and ATV, and on many occasions, paying for the oil, grease and parts himself.

He was **Nipper President JAC in 2000 – 2001 season**, and **Nippers Water Safety for 8 years** still helping out when asked.

He was on the **Building Committee for 7 years** during both major renovations.

He was on the **Point Danger Branch Surf Sports Committee for 4 seasons**.

Greg takes his patrolling of the beach seriously and accordingly was a **Patrol Captain for 5 years from 2003/2004 - 2009/2010**.

He is our current Bus Captain looking after the logistics and maintenance/care of the new bus.

Cooly Rocks On (18 years) is a major fundraiser for our club, and Greg starts to organise the logistics for this 3 day event, many weeks out and works tirelessly on the BBQ's over the weekend and has done for years. Greg has been a worker/ organiser of the Cooly Rocks On since joining Coolangatta SLSC 18 years ago.

In the past 5 years since retiring from work, Greg has helped set up the BBQ area, purchase drinks and food etc several weeks out from the event assisting the Coolangatta SLSC Management Committee.

Greg Piper has been recognised by his peers for his dedication to the Coolangatta SLSC and listed below are the Club Awards he has been so deservedly awarded:

Best Club Member: 2004/2005, 2014/2015

Best Committee Member: 2001/2002; 2003/2004

Robert Gatenby Trophy: 2005/2006

Harry Potter Medal: 2013/2014; 2015/2016

Appreciation Awards: 1999/2000, 2015/2016

Greg Piper has been recognised with a 15 year Patrolling Service award in May 2015.

He received his Official Accreditation in November 2000 and attended 27 carnivals in 6 years.

He has accumulated 646 hours on Beach Patrol, and we are aware, there has been times Greg hasn't bothered to fill out his hours in the Patrol Log, whilst filling in for his mates.

Greg Piper has devoted his life to the ideals of Surf Life Saving and the Coolangatta Club by serving the community. He has been shown outstanding dedication, commitment and loyalty to Coolangatta SLSC. He is everything and more of what epitomises a Hon. Life Member of a Surf Life Saving Club.

Greg Piper was presented with his Life Membership badge at the 2017 Annual Dinner in front of his adoring peers. Greg is respected by all club members and they showed that respect by a long standing ovation.

Congratulations Greg

CHIEF TRAINING OFFICER REPORT

The 2016/17 season has been another massive year for training. It is fantastic to see so many members keen to develop their skills with 380 new patrolling awards being completed. This is a 23% increase on the total number of awards gain by our members compared to the 2015/16 season. So firstly, I want to say a big congratulations to all members that have achieved new awards this season and I really hope that this enthusiasm can continue into next season. Our main focus this season was to increase IRB awards and particularly encourage more members to complete the Silver Medallion IRB Driver award to improve patrol strength. Due to the need for members to have a marine license before undertaking the driver course and the costs involved in getting this license, the club decided to arrange this course to be conducted at our club for members and the committee also made the decision to subsidise the course cost to make it more viable for members. This allowed 6 members to complete their boat license and 9 also took this opportunity to complete the Jetski licence.

Our member recruitment drive has been very successful and this has been a contributing factor to an increase in awards. We have been really lucky again this season to continue to recruit so many fantastic new members. We scheduled and conducted 4 bronze/ SRC squads this season (2 one week intensive programs and 2 eight week programs training every Sunday morning) which were all well attended. We trained a total of 36 new Bronzies which is a 50% increase on last season as well as 10 new SRC's which is a 150% increase on last season. Many of these new members are already proving to be a real asset to the Coolangatta family. It was also great to see so many families complete their Bronze together this season with a mother/daughter, mother/son, father/daughter, father/son and brother/sister duos all achieving their Bronze together throughout the season. We conducted 3 IRB courses throughout the season training 25 new crewies and 7 new drivers. We also assisted neighbouring clubs by training their members in awards too. The week intensive September Bronze/ SRC squad was a huge group combining members from Rainbow Bay, TH&C and Coolangatta with a total 24 Bronze and 14 SRC's completing this course. This approach to training has built some great friendships between the clubs and has been a valuable resource sharing opportunity. At the end of the day we are all here for the same reason so why not help each other out! It was a huge week but there was also a lot of fun had by everyone involved!

The Bronzies day tradition has continued to grow and it was fantastic to see the majority of new Bronzies present on this day to receive their personalised cap from Victoria Cross recipient Keith Payne. Well done Danny Hoyland on organising this special ceremony. The day was hugely successful with a strong attendance from our members as well as excellent media coverage received for the event with new stories on ABC, Channel 7, 9 and 10 and in the Gold Coast Bulletin. Bronzies Day and the Fallen Lifesaver ceremony is now a strong tradition at Coolangatta that members are proud to be a part of.

This season our members completed 186 Emergency Care awards, which is a 27% increase on the 2015/16 season. We are lucky that we can conduct these courses in-house at the club and that our members don't have to rely on Branch courses. This season we saw 51 members complete or update their First Aid Certificate, 70 complete the new Advanced Resuscitation Techniques Certificate or upgrade from the old ART though our proficiencies and 65 complete a Resuscitation Certificate.

A massive thanks to everyone that has assisted with training, my right-hand man and assistant Phillip 'Hammo' Hammond, you have been amazing as always and there to lead a hand wherever possible. Matthew Kirkham, I certainly could not have conducted 2 x one week intensive Bronze squad of this size without your assistance! To Damian Ling and Dion Ezzy your dedication to IRB training is greatly appreciated and it was really fantastic that we could grow the numbers of crewies and drivers during the season which is going to make rostering patrols that bit easier next season. To Garry Bell, Brad 'Bluey' Hartley, and Rick Van Kampen for helping out whenever I asked, your support is really valued. Dion Ezzy, Paul Teitzel, Shane Ling, Jake Mercer and Sean 'Argo' Smith thanks for all your assistance with the IRB courses, we can't run these courses without you guys willingly helping as drivers. To the large number of the members that helped with water safety, swimming with the bronze trainees or keeping an eye on my girls while I trained squads I can't thank you enough because without your support we certainly couldn't have achieved the great result we have this season. You know who you are because there are far too many of you to name. It has been a massive team effort and to all involved THANK YOU!

Proficiencies or Skills Maintenance seemed to run well this season running 4 proficiency dates and a catch up one just prior to the end of the year. There was a fairly even spread across the 4 main proficiency dates this season which certainly makes it easier on our assessors. A big thanks to Garry, Hammo, Matt, Bluey and Kerry Rodgeron for their assistance in making this such a smooth and efficient process for our members.

I would like to thank the management committee for their ongoing support, we are a great team and have achieved some fantastic results this season, I have really enjoyed the opportunity to work with all of you and look forward to an even better season in 2017-18. To Di in the office thanks for all your assistance with course paperwork, communication with members and keeping a track of members wishing to do courses, I certainly couldn't do this role without your professional support. To Kerrie Barnes and the staff at branch and Rachael Clark, Tonya Pade and all the SLSQ staff thanks for always being there to answer my many questions and assisting me in this role. It is great to know I have so much support! Finally, to all members your enthusiasm and dedication to Surf Life Saving and patrolling Coolangatta beach is to be commended, we are a great club and I am proud to be associated with such great people.

So, bring on the 2017/18 where our major focus is going to be on continued recruitment and that will mean lots more training, particularly Bronze squads which we plan to start in August so if you know anyone that would like to do their Bronze make sure you let them know. I am looking forward to another great season. If you want to do any awards, please make sure you let me know and we can register your interest. If you would like to get involved in training or assist with water safety I would love to hear from you, we are starting to build a good team and the more the merrier. You will get so much satisfaction in training other people and sharing your skills and knowledge!

COOLANGATTA SLSC NIPPERS

JUNIOR ACTIVITIES PRESIDENT'S REPORT

What a season! What a great nipper committee! What fantastic growth this year and what fun we all had in our 25th year of Coolangatta nippers. This year we had many new families join our ranks from far and wide; along with our local members we topped over 100 nippers, more importantly these nippers are prospective lifesavers of the future. As the JAC I enjoyed seeing all the children joining in, playing games and learning surf skills while at all times smiling and laughing. The Age Managers provided excellent tuition enabling almost 100% of our nippers achieve their appropriate awards, for that I wish to express my sincere gratitude. Then following each Sunday morning session on the beach, it was near impossible to just go straight home when our BBQ coordinator, Annett Alexander and her team of helpers (many of the mums and dads) provided us all with a great feed out on the front lawns of the club, this created a social setting where many friendships were made this season within our big Coolangatta family.

We were very well represented this season at carnivals. For many it was a first time experience, for others it was an opportunity to catch up with rivals from other clubs. All #Teamcooly members competed well, many achieving beyond their dreams, some gaining podium positions. Congratulations to all our competitors and a huge thank you to our coaches, officials, water safety and in particular a massive thank you to Danyelle Lipponen, our Coolangatta Surf Sports Coordinator, for the countless hours she contributed to make all carnivals possible. One of the most satisfying aspects of the nipper carnivals was the comments I heard complimenting what excellent sportsmanship our competitors displayed.

Congratulations to Amy Lipponen and Isaac Cattanach, this year's joint recipients of the Terry Buck award. This is the award all nippers aspire to win. Both Amy and Isaac displayed their competitive ability, their sportsmanship, both volunteered their time to assist with water safety, they stepped up and contributed around the clubhouse without being asked when help was needed. The committee could not split them and awarded them joint winners; I can see these two fine young members being future leaders within our club. Again well done and congratulations.

To have the successful season that we had many people need to be acknowledged. Our club administrator, Di Geddes, does an awesome job, thank you. Naomi Currie worked tirelessly as nipper registrar, Renee Burns kept busy all season as nipper secretary, Chief Water Safety Officer Brad Marsden provided solutions and not problems, it would be remiss of me not to mention Scott Hooper, if I needed someone to bounce ideas off he was there, if I couldn't get down on the beach he was there, Scott attended all the carnivals, set up the tents and hauled all the required gear, Scott you're a legend.

Finally I wish to thank Coolangatta Life Member Danny Hoyland who generously gave his time procuring much of our nipper sponsorship. The following sponsors have enabled us to acquire much needed equipment, assist in the purchase of club uniforms, award weekly encouragement vouchers and provide our nippers with free bread for our BBQ each week. Thank you to: Earth and Sea, Bakers Delight, Noodle Box, Grill'd, Gelatissimo and Zaraffas, when possible I ask that you please support these generous businesses that have supported our future lifesavers.

Stuart Marshall
Junior Activities

END OF YEAR BREAKUP & PRESENTATION DAY

The end of season breakup party brought us all together to celebrate the Season and to recognise the achievements of the Nippers and the support given by so many of our Volunteers.

Congratulations to the following Nippers:

| AGE GROUP | MALE AGE CHAMPION | FEMALE AGE CHAMPION | MOST IMPROVED | CLUB SPIRIT |

| TERRY BUCK AWARD Amy Lipponen & Isaac Cattanch | | | | |

BLUEBOTTLES

This season has been another great success for our Cooly Bluebottles. We enjoyed seeing lots of familiar faces from last season and welcoming new members to our Cooly family. We now have 3 beach wheelchairs, allowing us to ensure all participants can easily access the beach.

In the spirit of making this program as inclusive as possible, our Bluebottle Nippers joined with our other Nipper groups to participate together on Sunday mornings. It was great to see all our kids participating on the sand and in the water, learning new skills and having fun.

This season has seen a growth in Bluebottle memberships, and also growth in the number of our wonderful helpers. We were thrilled to welcome many youth members from our friends at other Point Danger Branch Clubs, including North Kirra, Palm Beach, Tallebudgera, Currumbin and Pacific. The success of our program has so inspired Pacific SLSC that they are now running their own Modified Nippers Program.

We sincerely thank everyone who has contributed to the success of this program, both within and beyond our club. The smiles on the faces of the children each Sunday make this such a rewarding experience.

We look forward to an even bigger and better 2017/18 season for our Bluebottle Nippers.

IRB CAPTAINS REPORT

It has been a busy season with IRB's. Many of our members have upskilled in IRB crew and drivers courses, 8 IRB Drivers and 33 IRB Crew. This will make it easier when patrolling for the 2017/2018 season with a larger pool of drivers and crews available.

The season has also seen a higher use of our IRB's and therefore it has challenged our older boats with repairs on every boat being conducted both throughout the season and across our off season.

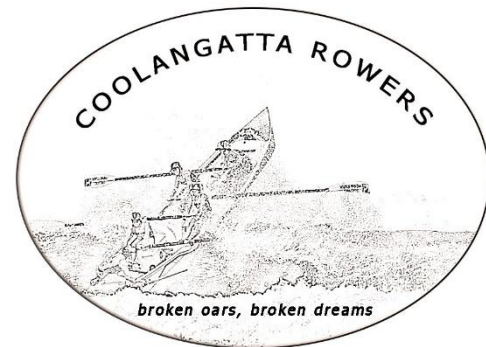

We also have an IRB on order which should arrive in November 2017. This will bring our fleet of IRB's to 4. This is a much needed and exciting investment for our clubs lifesaving with the youngest boat of ours being from 2011.

This season has also seen many members supporting a number of carnivals and activities with water safety. We thank those members who continually put their hand up to out for all these different activities that require IRB's and water safety.

Dion Ezzy
IRB Captain

BOAT CAPTAINS REPORT

What a season the summer of 2016 / 2017 has been for the Coolangatta Surf Rowers. We began our season small, with determination to continue our growth and development of current rowers, while pushing forward to increase our team numbers across the age divisions within the club.

To follow on from our successful growth of last year and not fall into that 2nd year syndrome category was always going to bring extra challenges. It started well with the U23 men's crew

getting some great coverage for the club on Australia's No1 rated breakfast TV show "Sunrise". Their early morning GoPro footage rowing with the whales was viewed across Australia as well as YouTube and Facebook, awesome effort boys.

With the beginning of our season approaching fast we faced our first challenge, to fill any vacated positions in all crews. Through recruitment we filled all vacant positions quickly, thus allowing for little disruption to training. A big thank you goes out to the new rowers for taking up this challenge, Zach Wyper, Janeen Nowlan, Andrew Halsall and Kirk Vidler. With all crews back on the water in full training, we pushed forward with our development program to recruit new rowers. This has led to our very first u/19 girls crew of Kaila Cripps, Hallie Della, Luci Flaherty and Kyara Smith.

With the creation of a competing U19 girls crew came a new wave of enthusiasm amongst our younger members. This in turn produced another U19 boy's crew. So under the guidance of Captain Sea Dog "Hammo" we welcomed David Hobson, Thomas Alexander, Lachlan Taylor and Amadeus Bellenger. With enthusiasm still rolling along, the opportunity came to place another group of U19 girls together and start them on the path of surfboat rowing in the early morning still waters of Jack Evans boat harbour. I now introduce Chloe Dunemann, Katie Kearney, Monique Burns and Fianna Wilkinson who are progressing well.

With the sudden growth in numbers, some on daylight saving time, some not, and the lack of driving license's amongst them brought new challenges. I must thank all those parents who would get up bright and early to ensure that their child was at training on time, whether it be a 4am start or 5am start on the water. I sincerely thank you all.

As we progressed through the carnival season with our nominated events to attend, we had the opportunity to take the club bus and go on overnight road trips to small northern NSW towns and pitch tents for the night. I do admit it was entertainment in itself watching these tents being set up. It left me wondering if we should change one rowing session to a tent set up training session. However some great memories I'm sure have been created.

I do have to make mention of one special carnival this year other than State and Aussie's. The carnival held at Woolgoolga where all our U19 crews got to compete alongside our Masters crews. This carnival brought two of our boat sweeps, Albie Maxwell, who is 83yrs, and myself, back to our original home beach to compete together. With some very testing conditions at times during races, all crews performed with pride and professionalism at levels above their years. All crews had to compete in divisions above their age, with the older U19 Shepherd's finishing 2nd in the Open men's. This was followed by a wonderful function that night which saw some awesome moves on the dance floor.

With only 2 championship events left for the year, we entered the Qld States on a high. As a team we walked away with 2 Bronze medals, the 200yrs men's finished 3rd with Phil Hammond, Glen Bull, Matthew Cleaver, Andrew Halsall and Terry Simpson. In some of the tightest racing all weekend the U19 men of Sam Taylor, Jake Mercer, Chris Gray and Shaun Connor finished with the Bronze medal. It was then time for Aussie's and before Cyclone Debbie caused havoc we did manage to get through the Masters events. This gave rise to our 200yrs men making the Australian final and the boys did us proud and finished 4th. Unfortunately for the rest of the rowers with water events being cancelled, it was off to the beach events and March Past, where you entertained not only our club but the entire beach, all in all you had fun and it was great to see you all giving it a go.

So we have had a bit of everything this year with highs, lows, big waves, small waves, road trips, injuries, triumphs, tears, incident reports, more incident reports and topped it all off with Cyclone Debbie.

I guess that's boat rowing, see you all next year.

Sean "Agro" Smith
Boat Captain

coffee_tester Quick coffee and eggs before patrol, smooth, good temp, good amount of foam. 4/5. Breaky good too.

YOUTH DEVELOPMENT OFFICERS REPORT

With such an inspired and motivated group of young people at Coolangatta, it is with great pride that I have been able to step into the role of Youth Development Officer and to work to support our youth to develop their leadership skills and stay engaged with our great club.

Having been without a Youth Development Officer since the 2014/2015 season, the youth have been really excited and supportive about having someone back in the role. We held our first meeting at the end of March which was attended by 15 young people with apologies from several others.

Those in attendance were full of energy and ideas and a number of activities were planned for the coming months including a trip to Wet n Wild which was attended by about 10 of our youth. Monique Burns, Chloe Dunemann and Lachlan Taylor have offered their support to the YDO and it is hoped that with support and leadership training, these young people will be able to take on the role of Youth Development in the future.

The Youth Gala Ball was held on the 3rd of June 2017 and was attended by 14 members who represented our club with pride. They looked wonderful dressed in their suits and cocktail dresses and it was an honour to spend the evening with them. Lachlan Taylor was awarded a Youth Excellence Award at the Ball for being so actively involved in the Coolangatta Club and for completing the most active patrol hours of all members over the past 2 seasons.

We are also working to get the YIPs program up and running in the club again and will be completing a sign up at the next youth meeting to be held at the end of June, with a minimum of 10 members expected to commence into the program. Monique Burns will be working towards gaining her Gold Medallion in coming months. We have spoken about this as a group and she will have the support of the youth members to develop her idea for her major project.

In addition to getting the Coolangatta Youth Committee active again this season, Coolangatta club members have represented our club at numerous development programs and camps having a great time.

Our youth have also represented the Club at State Titles in Maroochydore, the Aussies at Coolangatta and many other events throughout the season.

In addition to this, it was wonderful to see that the 3 members with the most patrol hours were all youth with Lachlan Taylor at 97.5 hours, Thomas Alexander at 90.5 hours and Amadeus Bellenger at 72 hours showing the commitment our youth members have to the club and surf lifesaving as a whole.

It has also been wonderful to see how many have been involved with water safety during Nippers. With the Youth Committee active again, we are hoping to work towards developing some fun activities for the older Nippers to engage with the youth members, with the view to increasing membership numbers during the vital transition stage from Nippers into active club members.

Another success for this season has been seeing so many of our youth achieve their SRC, Bronze Medallion and IRB Crew Certificates allowing them to develop their skills and undertake more duties so they can better serve the public and their club. A big congratulations to all of you for making the commitment to surf lifesaving and achieving these awards.

Thank you to all the youth of Coolangatta and the club as a whole for supporting me in this role. It is a pleasure to be a part of this great club and to be a part of our youth's development.

Keshet Cohen
Youth Development Officer

GEAR STEWARD REPORT

As another season comes to a close I would like to let everyone know what's been happening in the gear room.

I have serviced or replaced the 32 wheel bearings on all the trailers.

All the tents have been repaired with the help of Stuart Marshall.

Nathan from SLSQ inspected all our gear and we passed with flying colours.

But, the big news this season is that we are in negotiations with Chesterfield Tractors for the donation of a new tractor!

I would like to take this opportunity to thank all members for taking good care of the gear and equipment. It makes my job a lot easier.

I have had a lot of fun again this season and hope to continue next season.

Greg Piper
Gear Steward

BRONZIES DAY & FALLEN LIFESAVERS MEMORIAL DAY

On Sunday 30th April 2017 at 10:30am, on a picture perfect day at Coolangatta beach with a blue, blue ocean, a calm sea, and blue, blue skies- our day was blessed.

Bronzies day is in its fourth season where we honour our new Bronze recipients with a special presentation- a cap ceremony. The day highlights the importance of being qualified as a volunteer Surf Lifesaver, with the presentation of their own famous red and yellow patrol cap embroidered with their name, Q qualification number and year of attainment.

This has become a very special significant day in the club's season with over 60 patrolling members turning out in their red and yellow uniforms to welcome our new Bronzies into the Coolangatta SLSC. There were 24 new Bronze recipients who received their cap from Vietnam War Hero Keith Payne VC- a Victoria Cross recipient, a real Hero. His wife, SLSQ Life Member Flo Payne also attended to give morale support to Keith and the new Surf Lifesavers.

Federal Member Mrs Karen Andrews, State Member for Currumbin Jann Stuckey and GCCC Councillor Gail O'Neill attended along with SLSQ Hon. President Mark Fife, and Chief Operating Officer George Hill ESM, Administration and Compliance Manager SLSQ Craig Williams, Regional Manager Lachlan Sherrington, President South Coast Branch Phil Chipman and State Member for Burleigh Michael Hart.

At the conclusion of Bronzies day we pay our respects to our Fallen members with Fallen Lifesavers Memorial Day. All members dressed in their red and yellow uniforms (old and new) line up shoulder to shoulder on the water's edge and the Westpac Lifesaver Helicopter in conjunction with our IRB crews lay two wreaths at sea whilst members hold a minute's silence to remember them.

It is a very important day holding great significance and reverence at Coolangatta Surf Life Saving Club.

McPHERSON AWARDS

Unselfish Service to the Community...

The McPherson Community Awards seek to acknowledge the positive contributions people make to our community. Mrs Karen Andrews MP the Federal Member for McPherson presents these awards each year to say thanks to deserving members who selflessly serve the community. The Point Danger Branch nominated Phillip Hammond as the well deserving recipient of this special award.

Phillip Hammond

COBIA'S WINTER SWIMMING GROUP

The Cobia Winter Swimming Group is well into our 5th season and going and growing strong.

Our season starts early May and we swim every Sunday until early September. Our swims vary depending on conditions from a quick Greenmount to Cooly swim to the ultimate 'Keyhole' at Snapper to Kirra. We cater for all abilities, from beginners to the experienced and we always have water safety with every swim.

We love that the Cobia's are a non-competitive, happy and fun group that is focussed on participation and ocean swimming enjoyment and improvement. We have a great group of experienced ocean swimmers who have a wealth of local and skill based knowledge who are only too happy to impart on others.

WE are renowned for having a fabulous bowl of warm soup at the end of every swim made fresh each week by one of our lovely Cobia family. This along with our after swim banter, funny fines and trivia from Bruce rounds off a great start to everyone's Sunday.

This season the Cobia's are already 45 swimmers strong. It's so great to see so many young nippers join in and keep up their training during the quiet winter months. The kids certainly have loads of fun and are pretty good at estimating their swimming times. Also a big shout out to Agro who this year has encouraged all the boaties to join in to keep up their fitness. We love it!

Developing a positive club culture and a consistency of participation on a regular basis is one of the most valuable things the Cobia's offer. It's the only place where we get to meet and mingle with members and people from ALL the different sections of the club, especially our older members who have so much knowledge, history and tales to tell about our club.

We are quoted as being the 'backbone of the club' (in the winter season). We always have new faces and we attract followers from outside of the club who just love ocean swimming.

This all could not happen without a few key people. Huge acknowledgement to Captain Hammo who leads Cobia's every week, along with Greg and Bruce who make up the driving force behind the Cobia's.

So if you feel like a bit of a swim, soup and fun on a Sunday bring along \$2 and a bit of small change for some fines and we'll see you at 8am for a swim.

Susie Harker

Team Cobia

COMMITTEE'S REPORT

Your committee members submit the financial report of the Coolangatta Surf Life Saving Club Inc. for the financial year ended 30 April 2017.

COMMITTEE MEMBERS

The names of committee members throughout the year and at the date of this report are:

President - Garry Bell
Deputy President - Philip Wyper
Secretary - Matthew Kirkham
Treasurer - Damian Ling
Junior Activities Chairperson - Stuart Marshall
Director of Surf Life Saving - Michael Bugden
Director Surf Sports - Danyelle Lipponen
Chief Training Officer - Belinda Doman
VP Building Committee - David Strotton
VP Sponsorship & Fundraising - Danny Hoyland
IRB/Safety Officer - Shane Ling

PRINCIPAL ACTIVITIES

The principal activities of the association during the financial year were to promote, advance and control the work of Surf Life Saving and encourage members to realise their potential and athletic abilities through education and participation in surf life saving competition.

SIGNIFICANT CHANGES

No significant change in the nature of these activities occurred during the year.

OPERATING RESULTS

The deficit for the year amounted to (\$1,369,299).

Signed in accordance with a resolution of the Members of the Committee.

.....
Committee Member: Matthew Kirkham

.....
Committee Member: Damian Ling

Dated this 23 day of June, 2017.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2017

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 1981 (QLD)*. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(b) Property, Plant and Equipment

Leasehold improvements, office equipment, motor vehicles and lifesaving equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(c) Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

(d) Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

COOLANGATTASURF LIFE SAVING CLUB INC.
ABN 32 250 692 765

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2017

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

(e) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(f) Cash & Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

(g) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(h) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Fundraising, grant and donation income is recognised when the association takes control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

COOLANGATTASURF LIFE SAVING CLUB INC.
ABN 32 250 692 765

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2017

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

(i) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(j) Goods & Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST is incurred is not recoverable from the Australian Tax Office. Receivables and payables are stated inclusive of the amount of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(k) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(l) Inventories

Inventories are measured at the lower of cost and net realisable value.

STATEMENT BY MEMBERS OF THE COMMITTEE
FOR THE FINANCIAL YEAR ENDED 30 APRIL 2017

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

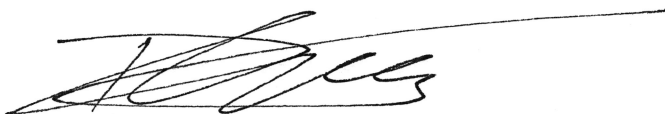

In the opinion of the committee the financial report as set out on pages 2 to 9:

1. Presents a true and fair view of the financial position of Coolangatta Surf Life Saving Club Inc. as at 30 April 2017 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Coolangatta Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with resolution of the Committee and is signed for and on behalf of the Committee by:

.....
Committee Member Matthew Kirkham

.....
Committee Member

Damian Ling

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
COOLANGATTA SURF LIFE SAVING CLUB INC.**

Report on the Financial Report

Opinion

We have audited the financial report of Coolangatta Surf Life Saving Club Inc, which comprises the assets and liabilities statement as at 30 April 2017, the income and expenditure statement for the year ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects to the *Associations Incorporation Act 1981 (QLD)*, the financial position of Coolangatta Surf Life Saving Club Inc as at 30 April 2017 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the *Associations Incorporation Act 1981 (QLD)*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Other Matter

The association processes cash receipts for membership, donations, raffles, apparel and BBQs . Our audit work addresses the risk of material misstatement of financial reporting with regard to the level of cash transactions and review of internal controls in this regard. Although our audit did not identify any significant reporting issues in this regard, the misappropriation of cash is an inherent risk to the association.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of *Associations Incorporation Act 1981 (QLD)*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Act 1981 (QLD)* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the association's financial reporting process.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
COOLANGATTA SURF LIFE SAVING CLUB INC.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
