## 61<sup>ST</sup> ANNUAL REPORT AND FINANCIAL STATEMENTS

Celebrating 60 years of Surf Life Saving on Coolangatta Beach

“

**Volunteering is an act of heroism, it's an act of heroism on a grand scale. And it matters profoundly. It does more than help people beat the odds; it changes the odds.**

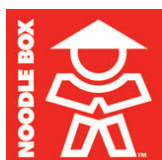

”

**Alistair McCooke**

## SPONSORS AND PARTNERS

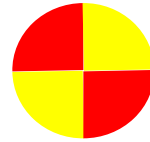

We would sincerely like to thank all our sponsors and partners that have assisted Coolangatta SLSC to have such a successful year.

The Coolangatta Surf Life Saving Club Inc. has been the recipient of several large donations from the Gold Coast City Council and the Queensland Government and indeed we are very grateful.

Club members have also had unwavering support from the Coolangatta Surf Life Saving Supporters Club from which their success has been crucial in consolidating the Club's financial position. We wish to offer our sincere appreciation to the Supporters Club for their continual outstanding efforts and the opportunities this provides the Club.

On behalf of all members please accept our thanks to everyone who has donated to the Club, both for their time and financial support.

## **Mission Statement**

Coolangatta Surf Life Saving Club Inc, is committed to being a valued part of the local community by providing competent patrols on Coolangatta Beach, participating in community activities and providing excellent training and facilities for club members.

## **Statement of Business**

Coolangatta Surf Life Saving Club is an incorporated association formed to promote Surf Safety along Coolangatta Beach. It does this by providing training, facilities and competitive opportunities for volunteer members. At the same time it is actively involved in the local tourist and hospitality industries participating in community events and the operation of the Supporters Club.

# 60th Anniversary

Coolangatta SLSC celebrated the 60<sup>th</sup> season anniversary on the lawns overlooking beautiful Coolangatta beach on Saturday 27<sup>th</sup> October 2018. Over 200 past and present members gathered to celebrate 60 seasons protecting the beachgoers & saving lives on Coolangatta beach.

A fantastic night of celebrations that had it all - even bagpipes, a Life Members marchpast team, yes believe it or not, all dressed in the marchpast onesies uniforms, paddle races, fairy floss and face painting for the kids, hula hoop competition, Janeen Nowlan organised a Coolangatta dance routine with the Nippers, and a live band played into the night. Life Member Geoff Hamlet and the team including Janeen Nowlan, Naomi Currie, Annette Alexander, Jan Summers, Christine Marshall, Tracy Maidment, and Life Members Jeff Best and John Longworth together with the Supporters Club Manager Steve Edgar and the ever-helpful staff put on a wonderful celebration. Past and present members got to know each other, and many good stories were exchanged. The younger members had trouble trying to understand how the older generation got away with so much in the old days.

## PRESIDENTS REPORT

Garry Bell  
Hon. President

A massive thank you to all our dedicated members who yet again volunteered many hours of their own time patrolling Coolangatta Beach, helping out with all of our fundraising activities including the SOS weekend at two major shopping centres in Brisbane and the two rock concerts held beachside of our club. Without people like you we would not be the club we are today.

Coolangatta SLSC can once again proudly boast that there were no lives lost on our beach throughout the 2018/19 patrolling season. Coolangatta Lifesavers put in a massive 6,528 hours patrolling our beach over the summer period.

They completed 25 rescues, performed 72 preventative actions, 23 First Aid Treatments, treated 421 people for Marine Stings and warned 3,364 people about possible dangers that could have easily ended up becoming a rescue.

When you take into account we had 46,481 visitors on our beach these figures are very impressive for the 14 Patrolling groups that we are lucky enough to have.

Total membership was down again this year with 372 overall members; of these there were 80 Nippers, 179 Patrolling members and 59 Associate members.

We will endeavour to promote and build Coolangatta Surf Life Savings Clubs good name again this coming season and hopefully will attract more new members to our club. However, we are in the process of organising a strong membership drive for next season.

Bronzies Day is when we welcome our new Bronzies to the club combined with our Annual Fallen Lifesavers Memorial Day. This very special day was held on the morning of the 5<sup>th</sup> May and is becoming bigger and bigger every year thanks to Danny Hoyland OAM who so passionately organises the whole event and as usual had many VIP guests attend including, Karen Andrews MLA-Federal Member for MacPherson, Michael Hart-State Member for Burleigh, Gail O'Neill-GCCC Councillor for Div. 14, Cr Paul Taylor, Mark Fife OAM, George Hill, Ken Hunter-President Point Danger Branch Jared Clark PDB, Pat McCue-President South Coast Branch, Shane Roberts President Southport SLSC and Rev. Alan Bartlem our Coolangatta SLSC Chaplain who blessed the wreaths before they were placed at sea.

Special guests to present the new Bronze holders with their personalised patrol caps were SAS Vietnam Veteran and Star of Courage recipient Jack Thurgar SC, MBE, OAM, RFD and QPS Bravery medal recipients Senior Constable Cathy Nielsen and Senior Constable Scott Hill.

Directly following on from the formal cap presentations we remembered our own, the Fallen Lifesavers and family members who have passed away this season. Approximately 40 of our members fully dressed in their patrol uniforms along with our Distinguished Guests stood in line at the water's edge and watched on as our IRB's and the Westpac Lifesaver Helicopter placed wreaths at sea. This event once again was broadcast on all local TV channels including channel nine in Sydney and has certainly given Coolangatta SLSC a lot of fantastic positive publicity.

Coolangatta's Chief Training Officer Belinda Doman has again achieved some fantastic results for us with 28 Bronze Medallions, 26 ART, 18 SSV, 32 First Aid, 26 Radio, 30 CPR, 12 Beach Management, 17 Tractor, 8 SRC, 10 IRBC and 4 IRBD awards completed. Thank you, Belinda, for everything you do and for the many hours you put in to make this happen for Coolangatta SLSC. Also thank you to all of our in-house assessors and trainers who assisted with training, assessments and proficiencies throughout the year.

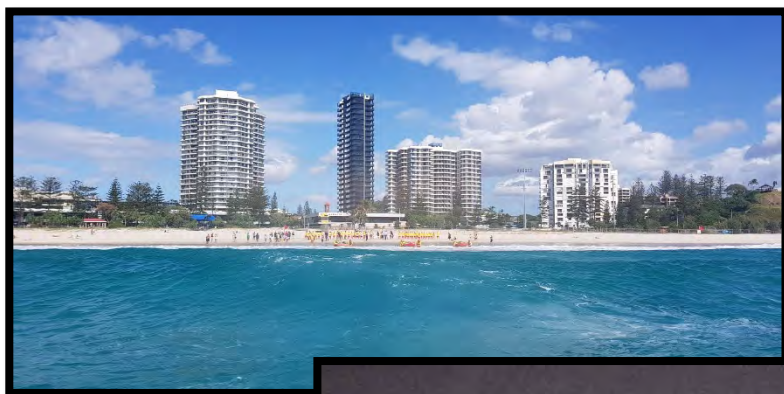

Our Supporters Club is definitely running the best it ever has under the guidance of Manager Steve Edgar and the Supporters Club committee. This year we have been holding joint committee meetings with both the SLSC committee and the Supporters club committee every three months; this has proven to be very successful and will continue to be ongoing.

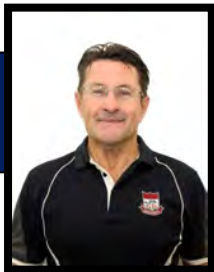

Thanks Steve, all your staff and Supporters Club Committee for ensuring our Patrolling Members are given good quality food whilst on patrol. Every member very much appreciates it. I am sure Steve will make Coolangatta Supporters Club bigger and better in the years to come.

Our Annual Dinner and Awards Night was held on Saturday 1<sup>st</sup> June and as usual turned out a fantastic night of fun and entertainment for our members who were able to attend.

Some of the awards presented on the night were Best New Members, Tracey and Alistair McCooke, Best Committee Member Tracey Maidment, Best Junior Member Fianna Wilkinson, Best Senior Member Jessica Dreyer, Presidents Award Janeen Nowlan and the Best Club Member for the season Christine Marshall. I am very proud to be associated with so many dedicated people who volunteer so much of time for our great club. Finally thank you to all of my colleagues on the Management Committee for all the hard work and hours put in ensuring that our Club is being managed in the best possible way. Thank you to Di Geddes our fantastic Office Administrator for all her help and assistance, I am sure that every Coolangatta member would agree that Di is forever helpful, polite and professional in her job. Thank you also to our Point Danger Branch officers and staff, to Kerrie Barnes and Ken Hunter for all your assistance throughout the year.

## VICE PRESIDENT – SPONSORSHIP & MARKETING

Daniel P Hoyland OAM

*Volunteers are the only human beings on the face of the earth who reflect this nations' compassion, unselfish caring, patience and care for one another.*

Our Members are the most important asset we have at Coolangatta SLSC. I would like to thank all the members who help out at our major fundraising events - Cooly Rocks On, Coolangatta Gold, & the Surf Safe Appeal - it's a team effort.

To our Honorary Patrons Noel and Sue Holmes for their ongoing support and generosity. Noel and Sue are always there when we ask for their help, and each season Noel & Sue continue to support us financially with our annual golf day.

**Coolangatta Surf Life Saving Supporter's Club -** Thank you to the Supporter's Club Board and General Manager Steve Edgar and his ever efficient Staff for operating a first class restaurant. Coolangatta SLSC Supporter's Club has a million dollar ocean view, terrific friendly, happy staff, & wonderful financial support to our volunteer Surf Lifesavers! Steve Edgar and Staff – you are Legends!

**Big ticket items of support:** Ryan Mulchester from **Chesterfield** who provided the tractor, **Gold Coast Airport** for sponsoring our Patrol Operations trailer, and **CHEMPRO** Brigid Davey for coming on board to sponsor Team Cooly with the rashies.

Peter Kleinschafer from **7 Eleven** for the third season continued with our sponsorship partnership supplying rashies for the Nippers.

Ramesh & Luximi Sivabalan from Smile Street Dental for sponsoring a surfboat and the 60<sup>th</sup> season celebrations on the 27<sup>th</sup> October 2018.

*Thank you to our loyal and valued Sponsors:* **CHESTERFIELD**, Gold Coast Airport **GCA**, **CHEMPRO**, **SUNSET SIGNS** (Jeff and Carol Best-over 4 decades of support)), **WOOLWORTHS** Coolangatta The Strand, **Federal Government**, **Queensland Government**, **Surf Life Saving Queensland**, **Point Danger Branch** (Ken Hunter & Kerrie Barnes), **Brisbane Broncos RLFC**, **CouplerTec** ( Garry and Arlean Bell), **Grill'd** (Paul

Milner), **Earth n Sea** ( Fergus and Victoria Sillar), **Noodle Box**, **McKern Accountants**, **Summit Press**, Graeme and Annie Walsh ( **Coolangatta Pie Shop**).

I would like to compliment the members who attended Bronzies day, and Fallen Lifesavers Memorial day on Sunday 5<sup>th</sup> May, 2019. We were honoured to have SAS Soldier Vietnam Vet. and Star of Courage recipient JACK THURGAR, and QPS heroes Cath Nielsen and Scotty Hill and the QPS Union President Ian Leavers as our special guests, who presented the famous red and yellow cap to the new Bronze recipients qualifying them as volunteer Surf Lifesavers.

Remember we are a unique humanitarian organisation – WE SAVE LIVES! When you have the privilege to care for other human beings, when you walk down onto our magnificent beach to do a beach patrol, you are wearing the iconic respected Australian red and yellow Surf Lifesavers uniform and cap. The general public respect us by virtue of that uniform, and they trust us to protect them, their families and their kiddies. It is a massive responsibility being a frontline Surf Lifesaver, a job we should all take seriously.

I would like to compliment the youth of Coolangatta SLSC and our Nippers. They are a credit to their parents and the club- wonderful, positive, well mannered, committed kids. Cooly kids thanks for being committed, noisy but respectful.

**Volunteering is an act of heroism, it's an act of heroism on a grand scale. And it matters profoundly. It does more than help people beat the odds; it changes the odds.**

**When it's hot in Brisbane, it's Coolangatta, Coolangatta for me oh yeah!**

*Danny P. Hoyland OAM  
Vice President Sponsorship & Marketing*

## SECRETARY REPORT

Margaret Cargnoni

Hon. Secretary

Another fabulous season has concluded and it's time to rest and re-energise our batteries while reflecting on what was another exciting season for Coolangatta.

With much hesitation and trepidation, the 2018/19 season brought the Club the opportunity for some additional fundraising with the chance to be part of By the Sea Coolangatta Concert featuring Icehouse and then again with The Drop Festival. These new and exciting fundraising opportunities will be a great addition to our list of fundraising events for the coming seasons. A big thank you to all our volunteer members who again donned the apron & manned the BBQ's, and prepared bread & rolls for our well-known sausage sandwiches and hamburgers all whilst having a great time and making some money for the club.

This season also saw the further updating of our Club By-Laws to ensure they are in line with our Constitution and SLSQ and regulatory requirements. The Board has a rolling schedule of Directors and Officers to ensure both continuity and turnover in our Club and the Constitution and By-Laws are always an ongoing project for the Board to ensure that they are kept up to date and in line with SLSQ.

As evident around the Club the continued relationship with the Coolangatta Supporters Club is still growing in leaps and bounds. We saw the opening of the long-awaited coffee shop 'Board Shorts' on the south side of the building which will no doubt be a popular meeting point for those early morning patrols.

Our recruitment drive for the coming season is looking to be an exciting one with some fresh new ideas and input from Steve Edgar our General Manager with some targeted marketing plans in place to entice some new members, so keep any eye out for our member's incentives to share Cooly with a friend. You may even *snag* yourself a free coffee or two!

We are also excited about developing new plans for next season with a good mix of fundraising events and social events for our members to build Club spirit and culture. The Club is proud to have

Marleigh representing us as the 2019 Summer Surf Girl. The organising committee are working closely with the social committee to create a fun calendar of events to look forward to.

It has been both a pleasure and an honour to be a part of the Coolangatta Surf Life Saving Club Management Committee for the 2018/2019 season as Hon. Secretary working alongside so many dedicated and passionate club members that take on their voluntary roles with such pride and commitment. I would like to acknowledge and thank Danyelle Lipponen for her hard work and amazing efforts as our Surf Sports Director who is now stepping down after 5 years. Another recognition and thank you to Scott Hooper for his efforts and hard work in his role as JAC is also handing the reigns over after 2 years.

A big thank you must also go to Di in the office who continues to ensure the efficient operation of our Club. A big welcome to Tracey McCook who we have recently employed to assist Di in the office during the coming season.

So in closing thank you to all our Club members for your dedication and support and I'm look forward to an exciting 2019/20 season.

Margaret Cargnoni  
Hon. Secretary

## TREASURER'S REPORT

Damian Ling

Hon. Treasurer

I am glad to be reporting on such a successful season as we have seen a tremendous improvement from this time last year. The impact of the commonwealth games was undoubtedly the biggest challenge that the club has faced for a long time regarding the impact on cash flow and post games we saw a steady rebound.

I would like to thank all those who have assisted this season to make this outcome possible and I would like to thank the committee for placing their understanding and assistance through the first part of the year.

Reviewing our revenue for the year, we saw an increase of total revenue to \$1,121,393 up 52.3% from the previous year. The standout increases were a 34.1% increase in Government Grants, a massive 253.6% increase in Donations and a fantastic increase in income streams that are reliant on SLSC members being involved in face-to-face efforts like BBQ's (up 18.5%), Raffles (up 43.4%) and Fundraising (up 42.4%). This combined with the addition of the Summer Surf Girl (now realised as the Summer Surf Ambassador Program) funds raised of \$22,359 all contributed to the fantastic result for the year.

Again, thanks to all those who have helped at our significant fundraisers throughout the year including Cooly Rocks On, Coolangatta Gold and the Summer Surf Appeal.

This year we saw the introduction of concerts in the Queen Elizabeth Park and the potential for the club to make good income on these events was evident and only possible due to the hard work of the Supporters Club General Manager, the SLSC Executive in negotiating a favourable site layout that resulted in us being able to service patrons to the events.

These major fundraisers will continue to be incredibly valuable to our future.

We saw reduced revenue from merchandise sales owing to limited stock being held and limited options for club members outside of swimmers and historic stock. This was an intentional decision such that we could reset and are now looking at providing a clothing to members both with their membership to increase our already great culture and purchasing options as the season progresses. We should see a sharp increase in this in the incoming financial year.

There was also a reduced revenue in insurance reimbursements which is the supporter's contribution to the club's overall insurance bill. An adjustment payment will be calculated based on the current standing agreements between the SLSC and the supporters club and this will be reflected in the July 2019 P&L and thus reported to the membership with the 2019/2020 audited financials.

We also saw a reduction in Expenses of -3.7% from the previous year to \$851,857 leaving us with a surplus of \$257,536 for the 2018/2019 financial year an improvement of 274.3% from the previous year where we returned a \$147,766 loss.

As a result, we have ended the year with a total cash and cash equivalents of \$112,601, a improvement of 229.8% from the previous period and places us \$39,137 ahead of our position from the 2016/2017 financial year.

The summer surf ambassador program proved to be a great stream of revenue for the club and I thank Nikki and her support committee for their efforts in 2018/2019 and wish Marleigh Dreyer all the best for this coming season effort. All the funds raised by this program come back to the club after the judging week and can then be used to support our activities and operations.

The success of the Supporters Club should be commended and recognised by all. Steve and his staff are committed to providing a great environment for members and visitors and this has

been supported behind the scenes by their committee. I encourage all our members to make best use of their members discounts by presenting their membership card when purchasing food and drink.

We began the season with a reduced income from the supporter's club to ensure the sustainability of both club's operations and gradually saw this increase back up to their full pre commonwealth games commitment. Not only has this occurred in the space of the last 12 months, we have also seen an incredible \$558,000 paid off the long-term loan entered to undertake the renovations.

We ended the financial year with an available redraw in the loan of just over \$300,000 which is a fantastic effort given that at the end of the 2017/2018 financial year we only had an available redraw of around \$16,000 which didn't provide much security in the financial climate we were in. To achieve this the supporters club paid an additional \$260,330.52 in the course of the financial year onto the loan on behalf of the SLSC as additional contributions which is 10 ½ months' worth of advanced payments but more importantly as substantial saving on interest payable in the life of the loan. The most impressive part of this is

those additional funds were distributed between October 2018 and April 2019.

In addition to the required cash and loan distributions the supporters club also provided a further \$81,733.67 of in-kind donations covering things like patrol meals, raffle prizes and special function expenses; these are all costs that the club would have otherwise needed to outlay or simply not provide. This value is shown in the Revenue as Supporters Club Distribution in the Profit and Loss section of the attached audited financials.

The total value of member discounts provided to SLSC members at point of sale ended up being a further \$20,004.23 of savings directly to members. This was up 43.8% from the previous financial year and highlights that there are a larger portion of members patronising the supporters club which is a wonderful thing to see.

Again, I thank everyone for their support in our committee and look forward to the exciting future we must look forward to.

## DIRECTOR OF LIFESAVING REPORT

Dion Ezzy

Congratulations all on another great season with no lives lost on Coolangatta Beach. This was a great season with Coolangatta SLSC increasing to have 14 patrol groups, with 179 active patrol members completing over 6,528 patrol hours. There was a significant increase in beach visitation with 46,481 people visiting our beach, but this also saw an increase in all areas of our patrolling statistics, we performed 25 rescues, 72 preventative actions and 3364 people were warned about hazards. We performed 23 first aid treatments but this season marks the worst we have seen for blue bottle stings

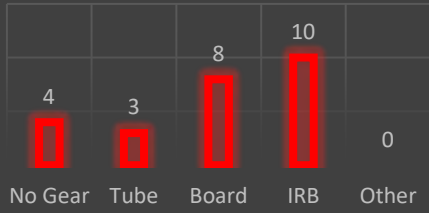

in some time with 421 people. Thank you to our dedicated Patrol Captains for your support this season and to all our patrolling members who have made my role as Director of Lifesaving easy. Thank you for being proactive in patrolling and ensure that the public remain safe while visiting our beach. Well done to all members who have completed new awards this season to help strengthen our patrols. I hope that you all enjoy a well-earned break and I hope to see all your smiling faces again next season.

# "Cooly Rocks"

(at the SS Coolangatta)

With a boatshed full of BBQs  
Food and drink ready to go  
Tongs were flyin' burgers fryin'  
It was time to kick off the show

"Cooly Rocks On" was in full swing  
There was no turning back  
Onion rings stuck to apron strings  
Stuwie's bacon turning black

We danced around that boatshed  
We did the cha cha slide  
Members were cooking up a storm  
For the hungry mob outside

The place was alive with music  
Snags were flyin' out the door  
Quick, go get more food Dion  
They keep comin' back for more

We chopped and sliced  
And fried and diced  
Bought every loaf of bread in town  
We laughed and cried with mates by our side  
We really bought the house down

Yeah, we may have lost an egg or two  
Some tomatoes hit the deck  
Elaine nearly got bowled over (by me)  
And Shippy got shipwrecked (not literally)

But we kept on going, no sign of slowing  
Members stayed the whole day long  
Danny entertained the crowd  
To the tune of an Elvis song

We rocked around that clock alright  
Until our feet could rock no more  
We sold the last Sauso sanga on Sunday  
And rolled down that clubhouse door

We came together in the aftermath  
And raised a toast to what really matters  
So, to all our members present and past  
Thank you from YOUR club, Coolangatta

## DIRECTOR OF SURF SPORT REPORT

Danyelle Lipponen

In November Worlds was held in Adelaide and we had a couple of Board and Ski competitors head over with our Boaties. Gary Gee and Nick Fawaz made the most of their trip with Gary coming away with a Gold in the Master's Board and Nick with a Gold in the Masters 2km run. Awesome effort. Our boaties also had an amazing time.

We were lucky enough to have a couple of great French competitors join our crew this season Iban Agueraray and Luc Fasquel were a great addition to our team. They had a great time training and competing with the guys. At the end of the season we also had a crew from their club join us for Aussies. They obtained their Bronze at our club and we had some very generous members put some of the competitors up while they were here. Thank you to those families.

Coolangatta was very fortunate to have two amazing competitors selected in the Point Danger Branch Interbranch team this season. Congratulation to Amy Lipponen and Jesse Starling. The girls represented Coolangatta and PDB with great gusto and should be very proud of their achievements. It was an honour to be their Team Manager this season.

We had a small crew attend our **PDB Senior Carnival** but everyone still had a great carnival. Some mentions are Gary Gee GOLD in the Master's Board and the Masters Board Relay GOLD with Gary Gee, Nick Jones & Rick Van Kampen. **Old State Championships** saw our team bring home GOLD Nick Fawaz in the 2km run, SILVER by Gary Gee in the Board, SILVER Phil Wyper in flags. Teams SILVER board relay Nick Fawaz, Nick Jones, Rick Van Kampen & SILVER board rescue Gary Gee, Nick Jones 260-year boats won Gold (Paul Baker, Steve Mason, Graham Matthews and Kirk Vidler).

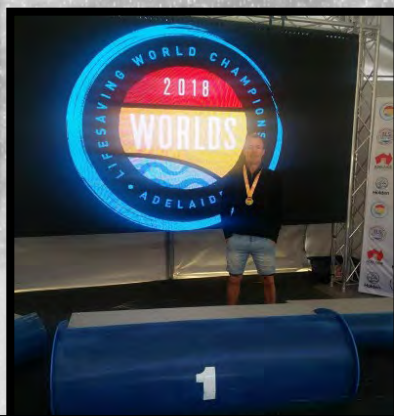

**Aussies** was exciting & local which was great. We achieved Gold in the 260-year boats (Graham Matthews, Steve Mason, Paul Baker, Kirk Vidler, Sean Smith). SILVER for Nick Fawaz in the 2km run and BRONZE for Phil Wyper in the beach flags.

We had a bit of a change up with our coaching at the club this season. We said goodbye to Rick Van Kampen who was a well-respected and amazing coach for many years at Coolangatta SLSC. Rick guided many great athletes through our club, and it was sad to see him not coaching at the club but unfortunately the club was not able to maintain two coaches this season. We also said goodbye to Wayne Flanagan our Nipper Coach. Wayne also brought great knowledge and skills to our club and nippers. We were fortunate however to gain the Coaching skills of Daniel Homer as our Nipper Coach. Dan fitted into our club well and the kids have enjoyed the season with him. Thanks, Dan, for a great season and we look forward to the 2019/2020 season with bigger and better things to come. Thank you also to Nick Fawaz and Gary Gee for assisting with training of the Senior and Master's Squad. Much appreciated.

I would like to thank all members that assist each season with Water safety, IRB drivers and crew, Officials, Age Managers and all family members that help get the athletes to and from carnivals. I have been Director of Surf Sports for five seasons and this will be my final season in this position. Thank you to all the Members of Coolangatta SLSC that has made this experience a great one. Thank you to Coolangatta SLSC Management Committee, they really are a great bunch of people. See you all around our great club. #GoTeamCooly

# ANNUAL DINNER AND PRESENTATION NIGHT

## CHIEF TRAINING OFFICER REPORT

### Belinda Doman

The 2018/19 season has been another massive year for training. It is fantastic to see so many members keen to develop their skills with 307 new patrolling awards being completed. So firstly I want to say a big congratulations to all members that have achieved new awards this season and I really hope that this enthusiasm can continue into next season.

We have been really lucky again this season to continue to recruit so many fantastic new members. We scheduled and conducted 5 bronze/ SRC squads this season which included 2 x one week intensive programs and 2 x eight week programs training every Saturday morning as well as a special course for our French Sister Club – Belharra Waterman Club. We trained a total of 31 new Bronzies as well as 8 new SRC's. Many of these new members are already proving to be a real asset to the Coolangatta family.

Our main focus this season was to increase the number of members with other awards to improve patrol strength. One area of focus was IRB awards particularly drivers but due to the need for members to have a marine license before undertaking the driver course and the costs involved in getting this license this has always been an inhibitor. We arranged for another marine license course to be conducted at our club again this season for members and continued to subsidise the course cost to make it more viable for members. This allowed our members to take advantage of this opportunity in doing both the boat license and Jetski licence. This season we conducted 3 IRB courses throughout the season training 11 new crewies and 4 new drivers who will be an asset to our patrolling strength.

This season our members completed 88 Emergency Care awards. We are lucky to be able to conduct these courses in-house at the club so that our members don't have to rely on Branch courses. These emergency care course form part of every Bronze course that we conduct so our members are going onto patrol with these higher qualifications from the onset. This season

we saw 32 members complete or update their First Aid Certificate, 26 complete the Advanced Resuscitation Techniques Certificate and 30 complete a Resuscitation Certificate. We also hosted our own Silver Medallion Beach Management course for the first this season and had 12 members complete this qualification which is fantastic to see. It really does prove that members prefer to do training at their own club with their peers.

The Bronzies day tradition continues to grow and it's great to see the majority of new Bronzies present on this day to receive their personalised cap from Vietnam War Hero SAS soldier and Star of Courage recipient Jack Thurgar SC, MBE, OAM, RFD. Well done Danny Hoyland on organising this special ceremony. The day was hugely successful with a strong attendance from our members as well as excellent media coverage received for the event with news stories on Channel 7 and 9. Bronzies Day and the Fallen Lifesaver ceremony is now a strong tradition at Coolangatta that members are proud to be a part of.

A massive thanks to everyone that has assisted with training, Phillip "Hammo" Hammond was always there when I needed a hand, Alistair "Cookie" McCook has been the most amazing asset to our club this season and brings with him a wealth of knowledge and experience. A massive thanks must go to Cookie for putting your hand up to run the French Bronze group, I know the language barrier was a little daunting but you all seemed to have an amazing week. To Damian Ling and Dion Ezzy your dedication to IRB training is greatly appreciated and it was really fantastic that we could grow the numbers of crewies and drivers during the season which is going to make rostering patrols that bit easier next season. Thanks also to Garry Bell for jumping in and leading a hand whenever your busy schedule allowed it. To our coach Daniel Homer for assisting in teaching board skills to our new Bronze and SRC candidates, thanks for your time and expertise in this area. I'm sure all of our new patrolling members will always remember that "the board is Gold!" To the large number of the members that helped with water safety, swimming with the bronze trainees or keeping an eye

on my girls while I trained squads I can't thank you enough because without your support we certainly couldn't have achieved the great result we have this season. You know who you are because there are far

too many of you to name. It has been a massive team effort so THANK YOU to all involved!

Proficiencies or Skills Maintenance seemed to run well this season running 4 proficiency dates and a catch up one just prior to the end of the year. There was a fairly even spread across the 4 main proficiency dates again this season which certainly makes it easier on our assessors. A big thanks to Garry, Hammo, Dion, Ross Browning and Cookie for their assistance in making this such a smooth and efficient process for our members.

I would like to thank the management committee for their ongoing support, we are a great team and have achieved some fantastic results this season, I have really enjoyed the opportunity to work with all of you and look forward to another great season in 2019-20. To Di in the office thanks for all your assistance with course paperwork, communication with members and keeping a track of members wishing to do courses, I certainly couldn't do this role without your professional support. To Kerrie Barnes and the staff at branch and

Rachael Clark, Tonya Pade and all the SLSQ staff thanks for always being there to answer my many

questions and assisting me in this role. It is great to know I have so much support! Finally, to all members your enthusiasm and dedication to Surf Life Saving and patrolling Coolangatta beach is to be commended, we are a great club and I am proud to be associated with such great people.

So, bring on the 2019/20 where our major focus is going to be on continued recruitment and that will mean lots more training, particularly Bronze squads which we plan to start in August. If you know anyone that would like to do their Bronze make sure you let them know. If you want to do any awards, please make sure you let me know and we can register your interest. Next season I will be keen to get some more trainers signed off so if this is something you are interested in please let me know, I really do need more support in this role and you will find that training and sharing your skills and knowledge with others is one of the most rewarding things that you can do. I'm not going to be CTO forever and would love to start training up some others to take on this role so I can step back a little bit (rest assured I'm not going anywhere though!) See you on the beach!

## LIFE MEMBERSHIP

A Life Membership of Coolangatta Surf Life Saving Club is awarded for 15 years of loyal, dedicated, outstanding, extraordinary, conspicuous service, good leadership, for personal and financial sacrifice "above and beyond" the call of duty for the Club and the Community.

*Life Membership is the greatest honour a Club can bestow on any member, and if you ever ask a Life Member they would tell you. "The Club has given me much more than I could give back in a lifetime"*

## Belinda Doman

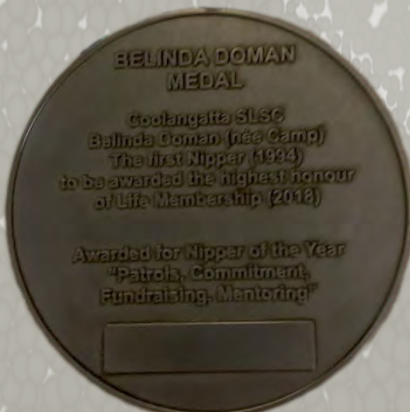

The positions that Belinda has held within the Club have been many and varied. Each position Belinda has taken up has been with the utmost zeal and the desire to do the very best for her Club and Club mates. Coolangatta was indeed fortunate in 1994 when Belinda became a member of our Club.

Belinda's record is truly a remarkable list of achievements and commitment for any member to emulate. Belinda holds the most Surf Life Saving Qualifications in the Club's history. Her Surf Life Saving History over the past 25 years has covered all aspects of Club life, including Management, active Surf Life Saving Patrolling Services, Surf Life Saving Training/Instruction, Surf Life Saving Examination/Assessing, Fundraising and representing the Club in the Competition arena. She has formed strong friendships and partaken in the Club spirit and comradeship that comes from being a part of these activities.

There are few members who can match the dedication and enthusiasm that Belinda gives to any project she undertakes. She does so willingly and anything that she accepts becomes a challenge and is carried to its ultimate conclusion to the complete satisfaction of both Belinda herself and the Club generally.

Belinda is a unique person where she is liked and respected by all members young and old. Her commitment and dedication to the Club have been recognised over the years at the Club's Annual Dinner upon receiving the Best Club Members Trophy, Best Committee Member, Harry Connelly trophy, Robert Gatenby Memorial trophy on 3 accessions, Best Junior Member on 2 accessions, Club Junior Champion on 3 accessions and Masters Club Champion on 3 accessions.

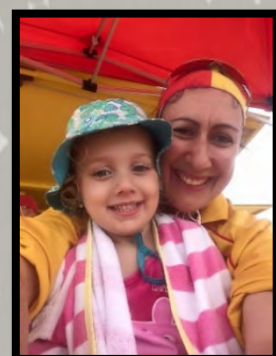

She is an outstanding Lifesaver quietly conducting her duties in a professional manner. She has completed his annual proficiency examinations and Beach Patrol duties since she joined the Club in 1994. Belinda is one of our best Life Savers the Club has produced since 1958. In 2018 the **Belinda Doman Medal** was created and awarded to the Nipper of The Year for outstanding service to patrols, commitment, fundraising and mentoring in honour of Belinda's service to the club.

## JUNIOR ACTIVITIES PRESIDENT REPORT - NIPPERS

Scott Hooper

What a great season celebrating Coolangatta SLSC 60<sup>th</sup> Anniversary. This season has been a busy but highly successful one for our Nippers this year. We welcomed back lots of families and some wonderful new families have come into the fold. The family atmosphere at Cooly Nippers has continued to grow and prosper, with Sunday mornings being the highlight of the week for all.

I would like to thank the many volunteers who so generously give their time each and every Sunday to ensure our kids have fun while developing the knowledge and skills to keep them safe on the beach. Our Age Managers did a fine job of leading the learning of our kids on the sand and in the water this season: Alain Nicholls, Alan Cattanach, Mick Farmer, Tahlia Maidment, Tracey Maidment, Janeen Nowlan, Belinda Doman, Matt Connolly and Fianna Wilkinson. I have been grateful for the tireless support of the amazing committee members: Alain Nicholls (deputy JAC); Pania Conroy (Secretary); Damien Ling (Treasurer); Kylie Starling (Chief Water Safety); Craig Maidment & Mark Nowlan (BBQ Coordinators), Kevin Moloney & Mick Taylor (Gear Stewards) and Kylie Starling (Clothing Coordinator), Christine Marshall, Jess Dreyer, Beth Dwyer (Registrar & Awards) all of whom have made my job easier during the season. The strength of our Nippers lies in the many members who support us, and in particular I would like to acknowledge the many volunteers who continue to contribute each week, despite no longer having children in Nippers. We are so much more successful because of the contribution of these amazing people.

The competitive Nipper members have enjoyed much success this season, under the coaching and guidance of our Coach – Daniel Homer. Our small but dedicated band of

competitors have trained hard, improved their skills and achieved some excellent results.

Sincere thanks must go to our Director of Surf Sports, Danyelle Lipponen, who had coordinated all aspects of Nipper participation in carnivals leading up to and including Queensland State Titles in March. Without Danyelle's hard work and dedication, this would not be possible. Another vital contributor to our Nippers success is our wonderful band of officials, without them our kids would not be able to compete. Thank you to: Ralph Lipponen, Stuart Marshall, Kylie Starling, Beth Dwyer, Pania Conroy, Christine Marshall, Matthew Nuttall, and Scott Hooper.

Our Nipper program is enhanced by our many generous sponsors. We thank our Vice President (Sponsorship) Danny Hoyland who has been instrumental in securing many sponsorships that assist with everything from providing our kids with reward for hard work to outfitting our state competitors to printing our Nipper Information Booklet. Thank you to: 7-11 Coolangatta; Grill'd Coolangatta; Noodle Box, Bounce, Earth n Sea Coolangatta; Summit Press & Printing, BOQ Eleanora and The Surf Club Coolangatta. Funds are also raised through our Nipper Raffles in the supporters club each Sunday. We thank our fantastic Nippers and their families who take their turn each week to contribute to our fundraising efforts that keep our Nippers program.

This season Queensland Celebrated 50 years of Nippers at Brisbane Parliament, I was fortunate enough to attend with my daughter Amelia and also Natalie to fly the flag for Coolangatta.

I have thoroughly enjoyed my role as JAC the past two seasons, and I am looking forward to an even better 2019/20 season. I am looking forward to welcoming new and old families and working with the new committee to ensure Cooly Nippers continue to grow and thrive.

Scott Hooper  
Hon JAC

## YOUTH DEVELOPMENT OFFICER

Tracy Maidment

My first year as Youth development officer has opened my eyes to what is an amazing surf Club, & youth we have here at Coolangatta. So proud of them all for playing such important roles in on our club.

It has taken me a little time to understand what my role as YDO means & I have enjoyed getting to know all the kids that have joined in with some of the activities over the past year.

A couple of our Youth took on the roles as age managers for our Nippers. Fianna Wilkinson U6's, Sophia Nolan U10's Tahlia Maidment U12's.

Marleigh Dreyer, Isaac Cattanach, James Cattanach & Lachlan Taylor where always there most Sunday Morning helping with water safety for our nippers , they also helped out on the BBQ at all our fundraising events

We had a Beach Cricket & pizza movie night sleep over in the club, which was a lot of fun.

Ashley Burns participated in Gold Coast youth Development Camp & Youth Excellence program. Awesome work Ash.

We also had Amy Lipponen participate in The PDB Team X-Treme program. Amy was also selected to compete in the Old Interbranch championships for the point danger team.

Amy was also female team captain. Well done Amy!!

We had Fianna Wilkinson & Kaila Cripps help out at Refugee day on the 13<sup>th</sup> of April. Thank you for putting your hands up for Cooly Girls!!

A few of our youth also received their Bronze medallions this season. Isaac Cattanach, Tahlia Maidment & Emily Shears. Congratulations!!

We also had Jay Dryer, Mai Nuttall & James Cattanach receive their SCR. Well done!!

A great night was had by all who attended the PDB Youth Ball up at Surfers paradise on the 26<sup>th</sup> of April.

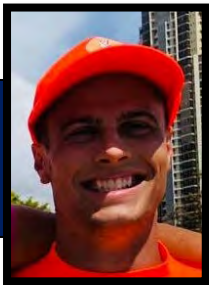

Marleigh Dreyer, Fianna Wilkinson, Amy Lipponen, Kaila Cripps, Tahlia Maidment, Emily Shears, Mai Nuttall, Patrick Wilkinson & Joshua Haynes. Thank you guys for attending & being a pleasure to be with & I was a very proud Chaperone. We had Marleigh drive them up in the Club bus, which was really appreciated.

Also Congratulations to Fianna & Tahlia who received Youth Excellence awards.

Thank you to all the Youth who participated in Club events, Competed for our Club at carnivals & helped so generously at Club fund raisers.

## COACHES REPORT

Daniel Homer

I have to begin this report with a massive thank you to the club and all the members who have made me feel welcome in my first season with Cooly. Stepping into a new environment is always challenging and I'm appreciative of all the support and assistance by members in various capacities over the season and making the change as smooth as possible.

This season's approach to the coordination of the junior surf sport training program had a renewed focus on emphasising 'athlete ownership' and responsibility, encouraging not only the development of participants in a sporting performance context, but also as model members and future surf lifesavers.

Once such initiative which aimed to facilitate the 'athlete ownership' model was the introduction of the Cooly Diamond Standard training protocol. This training performance testing protocol allows a quantitative assessment for athlete's to determine '*where they are at*' in comparison to standards set by previous state and national medallists. Not only does this give an understanding of where they are currently at, but also gives something to strive for.

The continued challenge moving forward is building numbers in the junior ages and in particular those who wish to get in a have a crack in carnivals. By no means do we have to be looking to match it with the bigger clubs, however establishing a base that allows sustained participation in a variety of team events for each age group is key. Strategically, the future of the club is driven by the retention of nippers into lifesavers, so nurturing the 'base needs' of the junior group is a high priority.

Although only a small group, it was good to see representation at the State Championships at Burleigh. Collectively we will be aiming to build upon results with a full off season program to build upon the 2018/2019 season. Even if surf sports competition isn't your thing, I encourage all to come along to training and participate as part of the group. We are all there to encourage each other to best versions of ourselves we can be – whether that's winning a state medal or making it out the back for the first time!

In closing, I'd like to thank all who have assisted in making the operation of the program possible, from the water safety personnel assisting at training to all those involved in carnivals and behind the scenes allowing our Nippers to compete. Collectively, many hands make light work and it's been great to see everyone chip in and have no hesitation in helping out. I look forward to the 2019/2020 season!

## SAFETY OFFICER REPORT

Steve Ward

During this year the approach to the concertina doors was noted as an area of trip hazard

A safety ramp has now been added to this area

In Sep 2018, the Committee modified the gym use policy to assist in providing safe operation for all users

In Jan 2019, I conducted the SLSQ Club Safety and Risk Audit on our building

I found no matters I considered an immediate risk to users of the building

Some minor matter were noted and attended too

In Feb 2019, it was reported some push bike riders were parking their bikes in front of fire extinguishers, this represents a clear safety breach and risk to club building if the extinguishers are needed

Signs have been erected to request bikes not be left in this area

A Safety Plan for the club is currently being compiled

# Bronzies Day & Fallen Lifesavers Memorial Day

On a picture perfect Queensland day, Coolangatta Surf Life Saving Club conducted the 6<sup>th</sup> annual Bronzies day and the honouring of our fallen lifesavers on Sunday 5<sup>th</sup> May 2019. The red and yellow patrol cap ceremony commenced at 10am with a large contingent of dignitaries and club members dressed in their famous red and yellow uniforms. Federal Member for McPherson Karen Andrews, State Member Jann Stuckey and GCCC Councillor Gail O'Neill were in attendance with SLSQ Hon. President Mark Fife OAM.

We were honoured to have Vietnam War Hero, SAS soldier and Star of Courage recipient Jack Thurgar SC, MBE, OAM, RFD present the Patrol Caps to the new Bronzies.

We also recognised the first Coolangatta SLSC bronze squad with a presentation of bronze medallions and a bronze plaque to be affixed in the clubhouse to commemorate their important contribution to patrolling our beach.

QPS Bravery Award recipients Senior Constables Cath Nielsen and Scotty Hill from Toowoomba Police acknowledged the wonderful unselfish service our members perform on behalf of the community and they spoke about mateship and the courage in the execution of our duty. Cath and Scotty were in a shootout in Gatton on May 29<sup>th</sup> 2017 when their colleague Senior Constable Brett Forte was fatally wounded.

Welcome to country was presented by Nipper Mai Nuttal, Alistair McCooke 2004 Australian Surf Life Saver of the Year and former Ocean Grove SLSC Club Captain spoke about the recent tragedy of Point Campbell SLSC father and son IRB team, Ross and Andrew Powell, who lost their lives trying to save someone from the rocks in massive seas.

New Bronzie Bridie Edgar presented a speech on what it means to be a volunteer Surf Lifesaver, and Club Chaplain Rev. Alan Bartlem blessed the wreaths.

After the cap presentation, club members marched down to the water's edge, shoulder to shoulder, mate beside mate, proudly dressed in their red and yellow uniforms as they watched the Coolangatta SLSC IRB crews and the Westpac Lifesaver Helicopter lay wreaths at sea in respect to all our fallen lifesavers, followed by a minute's silence.

On Bronzies Day and Fallen Lifesavers Memorial Day 2019, we asked 2004 Australian Surf Lifesaver of the year, & former Ocean Beach SLSC Captain Alistair McCooke to say a few words about the Father and Son Surf Lifesavers who lost their lives trying to save another. His speech says it all, and why we do it:

*Patrol Group 14 had its last day of patrol on the day of the Cooly classic. I reprimanded a man who I witnessed cleaning his swim goggles and sunscreen hands on our Red and Yellow Patrol Flags. He was apologetic and feeling worse for his choice of a cleaning cloth.*

*For under the Red and Yellow flags, cap and patrol uniform lies a deep and proud history of Australian Surf Life Saving. If you have been a Surf Lifesaver for any length of time you have experienced the loss of a fellow Surf Lifesaver. You have worked through the sadness of the loss of a person on your beach. Most importantly you have committed to stand proud and do the best to your abilities to care and save others to make our beaches safer.*

*To the members who have successfully gained the Surf Lifesaving Australia Bronze Medallion with your commit to Volunteerism and Patrol Duties as 48,000 Australians have, we now proudly accept you into this historical legacy.*

*Port Campbell SLSC Victoria is located in what could only be described as one of the missed Wonders of the World. It's beautiful Port, The 12 Apostles, London Bridge, massive surf and the 1878 tragic history surrounding the Loch Ard Gorge.*

*On Easter Sunday 2019 sadly history repeated itself when answering the call of a person in trouble. Two of our brave Australians Surf Lifesavers lost their lives. Father and Son, Ross and Andy Powell paid the ultimate price. Together with survivor Phillip Younis in a twin engine hard hull rescue craft they set out to rescue a person washed out by big seas. This was something they were very well trained for but on this day whilst the person in trouble would later be rescued Ross and Andy Powell would pay the ultimate sacrifice.*

*Volunteering is an act of heroism, it's an act of heroism on a grand scale. And it matters profoundly. It does more than help people beat the odds; it changes the odds. – Alistair McCooke*

# McPHERSON AWARDS

## Unselfish Service to the Community...

The McPherson Community Awards seek to acknowledge the positive contributions people make to our community. Mrs Karen Andrews MP the Federal Member for McPherson presents these awards each year to say thanks to deserving members who selflessly serve the community. Our club nominated Ralph Lipponen as a well deserving member who was presented at the club Annual Dinner.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 APRIL 2019

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**(a) Income Tax**

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

**(b) Property, Plant and Equipment**

Property, plant and equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

**(c) Impairment of Assets**

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

**(d) Employee Provisions**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

**(e) Cash & Cash Equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

COOLANGATTA SURF LIFE SAVING CLUB INC.  
ABN 32 250 692 765

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 APRIL 2019

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

**(f) Trade and Other receivables**

Trade and other receivables include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

**(g) Revenue**

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Fundraising, sponsorship, grant and donation income is recognised when the association takes control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax.

**(h) Leases**

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

**(i) Goods & Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST is incurred is not recoverable from the Australian Tax Office. Receivables and payables are stated inclusive of the amount of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

**(j) Trade and Other Payables**

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**(k) Inventories**

Inventories are measured at the lower of cost and net realisable value.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 APRIL 2019

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

**(l) Economic dependence**

As at 30 April 2019, current liabilities exceed current assets by \$219,671 (2018: \$270,780). The Association receives donations each year from Coolangatta Surf Life Saving Supporters Club. The Association is dependent on the continuation of these donations in order to maintain operations at the current level. As at reporting date, the Committee is of the opinion that these donations will continue in the foreseeable future.

**(m) Estimation uncertainty**

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

*Useful lives of depreciable assets*

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets.

*Inventories*

Management estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date.

**STATEMENT BY MEMBERS OF THE COMMITTEE  
FOR THE FINANCIAL YEAR ENDED 30 APRIL 2019**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

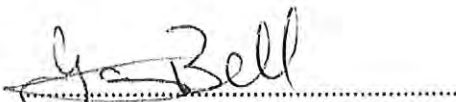

In the opinion of the committee the financial report as set out on pages 3 to 13:

1. Presents a true and fair view of the financial position of Coolangatta Surf Life Saving Club Inc as at 30 April 2019 and its performance for the year ended on that date in accordance with Division 60 of the *Australian Charities and Not for Profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*; and
2. At the date of this statement, there are reasonable grounds to believe that Coolangatta Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with resolution of the Committee and is signed for and on behalf of the Committee by:

**COOLANGATTA SURF LIFE SAVING CLUB INC.**

*Opinion*

We have audited the financial report of Coolangatta Surf Life Saving Club Inc, which comprises the statement of financial position as at 30 April 2019, the statement of profit or loss and other comprehensive income for the year ended, statement of changes in equity, statement of cash flows and notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of Coolangatta Surf Life Saving Club Inc as at 30 April 2019 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*.

*Basis for Opinion*

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Other Matter – Cash Receipts*

The association processes cash receipts for membership, donations, raffles, apparel and BBQs. Our audit work addresses the risk of material misstatement of financial reporting with regard to the level of cash transactions and review of internal controls in this regard. Although our audit did not identify any significant reporting issues in this regard, the misappropriation of cash is an inherent risk to the association.

*Other Matter – Going Concern*

Without modifying our opinion, we draw attention to note 1(l) to the financial report. The Association's current liabilities exceed its current assets by \$219,671 (2018:\$270,780) as at reporting date. The Association receives donations each year from the Coolangatta Surf Life Saving Supporters Club. The Association is dependent on the continuance of these donations to maintain operations at the current level. As at reporting date, the committee members are of the opinion that these donations will continue for the foreseeable future.

*Emphasis of Matter – Basis of Accounting*

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*. As a result, the financial report may not be suitable for another purpose.

*Responsibilities of the Committee for the Financial Report*

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COOLANGATTA SURF LIFE SAVING CLUB INC.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going Concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the association's financial reporting process.

### *Auditor's Responsibilities for the Audit of the Financial Report*

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
