

COOLANGATTA

SURF LIFE SAVING CLUB

63rd ANNUAL REPORT & FINANCIAL STATEMENTS
2020-2021

Sponsors and Partners

We would sincerely like to thank all our sponsors and partners that have assisted Coolangatta SLSC to have such a successful year.

The Coolangatta Surf Life Saving Club Inc. has been the recipient of several large donations from the Gold Coast City Council and the Queensland Government and indeed we are very grateful. Club members have also had unwavering support from the Coolangatta Surf Life Saving Supporters Club from which their success has been crucial in consolidating the Club's financial position. We wish to offer our sincere appreciation to the Supporters Club for their continual outstanding efforts and the opportunities this provides the Club. On behalf of all members please accept our thanks to everyone who has donated to the Club, both for their time and financial support.

Mission Statement

Coolangatta Surf Life Saving Club Inc, is committed to being a valued part of the local community by providing competent patrols on Coolangatta Beach, participating in community activities and providing excellent training and facilities for club members

Statement of Business

Coolangatta Surf Life Saving Club is an incorporated association formed to promote Surf Safety along Coolangatta Beach. It does this by providing training, facilities and competitive opportunities for volunteer members. At the same time it is actively involved in the local tourist and hospitality industries participating in community events and the operation of the Supporters Club.

Values

Preservation of Life
Community Service
Team Work
Respect

GOALS

Strong and Efficient Management
Community Leader in Training and Development
Thriving Membership and Member Services
Financially Secure and Well Marketed

Vale

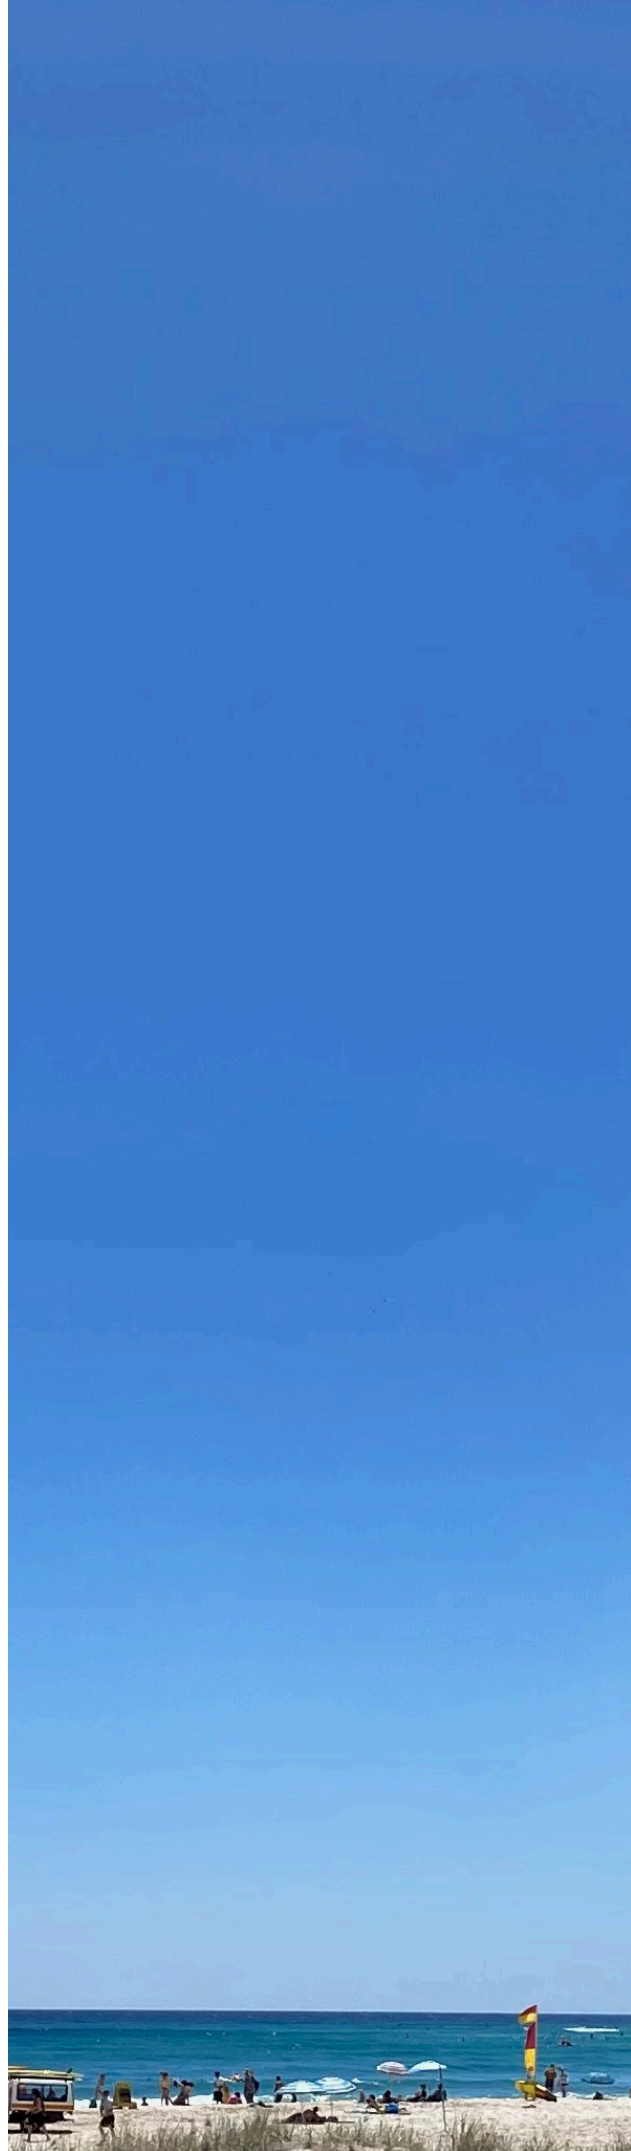

The President and Committee Members of Coolangatta SLSC extend their condolences and deepest sympathy to the families and friends of departed members during the past season. In loving memory:

Miro Bradicich
Brian Cleary
Peter Flintham
Ross Purdon
Yuhan Ravoul

2020-2021

REPORTS

A Year in review

Garry Bell

Hon. President

Thank you to all our fantastic Coolangatta Surf Lifesavers who volunteered 7,585 hours of their time this season patrolling our beach to keep 48,455 members of the public safe, again we can proudly claim that there were no lives lost at Coolangatta beach during the 2020/21 season.

Our Lifesavers carried out 8 rescues, performed 493 preventative actions and had 105 First Aid Treatments, well done team Cooly.

The 2020/2021 season has been a year like no other due to the Covid-19 pandemic. Thanks to each and every member for your patience and support around the club during these trying times. Some areas of the club needed to be closed off for a period of time, this included the kitchen, the Gym and our bunk rooms. Unfortunately all of our major fundraising events such as Cooly Rocks On, SOS Week and all the concert events held in front of our Club were cancelled, again due to Covid-19.

Let's hope things get back to some form of normality this coming season.

Total membership has remained basically the same as last year with 372 overall members, 71 of these being Nippers and 164 being active patrolling members. Plans are well underway to carry out a strong membership drive for the 2021/2022 season with the intention to build up our Nipper numbers, this in turn should flow on and build up our patrolling members.

Bronzies Day is when we welcome our new Bronzies to the club as well as remember our Fallen Lifesavers in a ceremony placing wreaths at sea. This special day organised by Danny Hoyland OAM was held on Sunday morning the 2nd May and was attended by a very impressive list of VIPs including Laura Gerber MP State Member for Currumbin, Gail O'Neill GCCC, Mark Fife OAM SLSQ President, George Hill ESM South Coast Branch President, Scotty Hill BM Queensland Police, Ian Leavers Qld Police Union President, John "Bluey" O'Gorman the creator of Police Remembrance Day, Inspector Bruce Kuhn Coolangatta Police and Alan Bartlem Coolangatta SLSC Chaplain. John "Bluey" O'Gorman spoke passionately about some of his past experiences as a Qld senior police officer as well as the important roles of a Surf Lifesaver. Bluey as he likes to be known and Police Officer Scotty Hill then presented our new Bronzies with their very own patrol caps embroidered with their names and award numbers as well as their Bronze Medallions.

At the conclusion of the formal cap and medallion presentation we remembered our own, the fallen Lifesavers and family members who have passed away this season. Approximately 40 of our members fully dressed in their patrol uniforms along with the Distinguished Guests stood in line at the waters edge in silence and watched on as our IRB and the Westpac Rescue Helicopter placed the wreaths at sea. This event was again broadcast on local TV channels and that has given Coolangatta SLSC a lot of positive publicity.

Presidents Report Continued~

Well done team Cooly to those members who competed at Aussie Titles, special congrats to: Nick Fawaz for a Gold medal in the 2km Beach Run, Phil Wyper for a Silver medal in Beach Flags and Bronze medals for both the male U23s and Masters boat crews.

Also a big well done to our Deputy President Belinda Doman for receiving the National Volunteer of the Year award during the year and to our Secretary Margret Cargnoni for winning the Qld State award for Team Manager of the Year.

Our Annual awards and presentation night was held on the 19th June and as usual everyone had a fantastic evening. Great to see so many members being rewarded for their efforts.

Our Supporters Club, thanks to Steve Edgar, has managed to work through all the disruptions that Covid -19 caused and is now back on track to breaking all past trading records. Every patrolling member looks forward to the great quality food they receive on patrols so thank you to Steve and all his wonderful staff members.

Finally I would like to thank all my colleagues on the Management Committee for all the hard work and endless hours put in to make sure our club is managed in the best possible way. I would also like to thank Di Lewis for all her support to not only me but to all of our members. Thank you to Point Danger Branch Manager Rachael Clark and staff, Kerrie Barnes and Ken Hunter for all your support during the year.

Garry Bell
Hon President
Coolangatta SLSC

Daniel P Hoyland OAM

VICE PRESIDENT –
SPONSORSHIP & MARKETING

***“The little things? The little moments?
They aren’t little.”***

This season after the COVID Virus, our club performed magnificently in regards to sponsorship, thanks to the Sponsorship Committee comprising of Geoff Hamlet, Denis Henricks, Graham Church, Steve Ward and Supporter’s Club GM Steve Edgar.

***“The measure of life, after all, is not its
duration but its donation.”***

Our major sponsors have donated over \$100,000 to the Coolangatta SLSC. Thank you sincerely to our Sponsors: Vanderfield Tractors - Ryan Mulchester, Australian Accounting and Francising Professionals - Rob Melin, Gatta Constructions - Graham Church & Russell Pyatt, Andrew Peace Wines - Dave Weale, Simon George & Sons - Ben George, Sunstate Security - Steve & Karen Ward, Sunset Signs - Craig, Jeff and Carol Best.

We would also like to sincerely thank our Nipper contributors for Sunday Nipper prizes - Grill’d, Noodle Box, and Cold Rock Ice Cream. Hon. Patrons and “Members for Life” Noel and Sue Holmes have displayed unbelievable generosity over the past 30 years, and this season is no different,

with a donation of \$50,000 supporting the Surf Life Saving Club, Cooly Nippers and the Golf day. Noel and Sue are so supportive of our SLSC, so humble, and want no recognition. All they want is to help the Coolangatta Lifesavers perform their important work of saving lives. They are generous, kind, decent, people. Quite frankly their generosity is outstanding.

***“Every day thousands of unsung heroes
bring caring and compassion to the lives of
others. Their names are never featured in the
headlines, but our community would be a much
darker place without them.”***

Over the past two seasons we have had a generous donation from a gentleman by the name of John Dickson. John’s parents holidayed at Coolangatta every year for over 3 decades before their passing, and following in his parent’s footsteps, John and his family now holiday at Coolangatta, so they wanted to give back to the Lifesavers for looking after their families. The Alfred and Jean Dickson Foundation has donated \$5,000 last season & \$10,000 this season. They requested the monies be used to support the Nippers, as John believes its important kids learn surf safety, teamwork & self esteem.

Annual Golf day: Thank you to Life Member Geoff Hamlet for his efforts in conducting the annual Golf day which raises lots of money and more importantly, gathers the old and the new members together for a game of golf, fun and laughter.

Supporter’s Club: Thank you sincerely to the Board and GM Steve Edgar from the Supporter’s Club who do an outstanding job. Steve Edgar couldn’t be more supportive, he not only joins his family wife Cathleen, Lachlan and Bridie on beach patrol, but he is always at fundraisers, events and family days. His personal contribution is enormous and is recognised by all club members. To his Staff, Chefs, Wait Staff, we thank you for your hospitality professionalism. Our patrol meals variety, and taste is delectable, and appetizing. We have a choice of 9 delicious meals. We are the envy of clubs up and on the GC. Titan’s RLFC: We have been developing a relationship with the Titan’s Rugby League Club over the past few months meeting with the Chairman Dennis Watt and we are hoping the Titan’s becomes a club gold sponsor. Due to the COVID virus we had to conduct two Bronzies & Fallen Lifesavers Memorial days.

Vice President's Report Continued ~

Bronzies day and Fallen Lifesavers Memorial day was held on Sunday 29th September, 2020 with special guest Commissioner of Police Katarina Carroll APM who presented the famous red and yellow patrols caps to the new Cooly Lifesavers- "the Bronzies" on a picture perfect Queensland day. Katarina has so much respect for our lifesavers and the work they perform. The second Bronzies and Fallen Lifesavers Memorial day was held on Sunday 2nd May, 2021 with special guest former hero cop Inspector (retired) John "Bluey" O'Gorman BM who spoke about how Surf Lifesavers are first responders and they go forward into the face of danger to save another human being in difficulty in the surf. He spoke highly of the volunteer Surf Lifesaver and the dedication and uniqueness of what we do, an honourable "profession." At the conclusion of the cap presentation, all the Coolangatta Surf Lifesavers dressed in their red and yellow uniforms march to the water's edge to lay a wreath, while our IRB, surfboat crews and the Westpac Lifesaver Rescue helicopter laid wreaths at sea remembering our fallen lifesavers.

Each season we gather together wonderful local community leaders like State Member Laura Gerber, Councillor Gail O'Neill, Senior Constable Scotty Hill BM, QPS Union President Ian Leavers, Police Inspector Bruce Kuhn and SLSQ President Mark Fife OAM. The wreaths are blessed by club chaplain Rev Alan Bartlem.

Annual Dinner: There is the Oscars, the Emmy Awards, the Logies, and our Presentation of Trophies is now called "The Coolies". We present each trophy winner with a miniature gold "Cooly" in the shape of a Hollywood Oscar. We had over 110 members attend our night of nights, many dressed up as their favourite movie star. Thank you to the Social Committee of Naomi Curry, Janeen Nowlan, Christine Marshall, Annette Alexander and Jan Summers who do an excellent job organising "the Coolies."

Patrolling - What we do matters: I would like to acknowledge all those Coolangatta Lifesavers who do their patrols, realise the importance of patrolling, and the respect the public has for the red and yellow. Special mention to Stephen Ward for patrolling every second weekend with PG 11 & 5 racking up 133 hours. Outstanding effort. That's what it's all about. Thank you one and all for your unselfish service to the community. To the Cooly Nippers, you are an inspiration to us older folk, well mannered, motivated, full of positive energy. JAC Chair Tracy Maidment and her support team do a magnificent job with the Cooly Kids. I want to make special mention of Jayda Crawford, Grace Govenlock and Ewan McConnell who spoke about being a junior member of the club and Sophie Markou who sang the National Anthem in the local Bundjalung indigenous language on Bronzies day 2021. They did us proud.

"Sometimes you will never know the value of a moment, until it becomes a memory."

To the Management Committee I want to thank you for your support and counsel over the past season. The commitment and dedication of these people is inspirational. We get into some lively debates but always respect each other's opinions. To President Garry Bell, thank you GB for your steady leadership. GB leads without having any personal agenda other than the best for our club. Executive Margaret Cargnoni, Damian Ling, Belinda Doman, and our Captain Dion Ezzy - your club jobs are extremely demanding, and I salute you for your dedication and commitment to making Coolangatta SLSC a better place for its members and a club that cares about the community.

"We are in the business of saving lives."

'When it's hot in Brisbane, it's Coolangatta.'
Danny P. Hoyland OAM, MStJ.

Hon. Secretary Report

Margaret Cargnoni

It has been my pleasure and honour to once again work with the Coolangatta SLSC Management and Executive Committee and patrol alongside so many dedicated and passionate club members who take on their volunteer roles with such pride and commitment.

This season has definitely seen some changes in the way our Club operates due to the changing Covid19 environment and, as always, our members have embraced these challenges with incredible resilience and positive spirit. Our Surf Life Saving Club relationship with the Coolangatta Supporters Club continues to grow in leaps and bounds with the members of both Committees working behind the scenes to ensure the viability of our Club as we approach next season. With both areas of our Club working collaboratively on our Strategic Plan to secure our Club's future we look forward to seeing some impressive changes for our Club in the coming years.

Always a massive thank you to all our volunteer members who again donned the apron & manned the BBQ's, prepared bread rolls and salads as we welcomed back Cooly Rocks On. We would also like to acknowledge the folk at Woolworths Distribution Centre and our very own Supporters Club suppliers who donated the majority of food for Cooly Rocks On which increased the bottom line raised back to our Club. Thank you!

Also a big thank you to all our energetic volunteers who have been working behind the scenes in keeping our Club Covid compliant and who continue to do so. Our Club is privileged to have so many members who are passionate and committed to what our Club represents.

Looking forward to the season coming there will be some exciting fundraising events for our Summer Surf Women and social events all pulled together by our very talented Events Committee. A big thank you must also go to Di in the office who continues to keep our office humming along and now with the assistance of Odette, welcome aboard Odette.

So in closing a sincere thank you to all our Club members for your continued dedication and support and I look forward to an exciting 21/22 season.

Deputy President Report

Belinda Doman

Coolangatta SLSC has had a great season in 2020/21 where we have been able to achieve some growth and undertake some planning for the future to ensure that we continue to remain sustainable.

I am proud to say that for the first time in 4 seasons we have recorded a 13% increase in nipper membership and a 31% increase in Associate members. We attracted 111 new members to the club this season and retained 67% of our membership. This is a great achievement despite Covid and the majority of clubs recording a decrease in junior activities membership this season. This is a testament to the hard-working junior activities committee and the positive word of mouth from existing members about the program we offer at Coolangatta. With a number of recruitment initiatives in place for the coming season, we hope to see these numbers continue to grow.

We have been working on the clubs' strategic plan for the next 3-5 years. This has included engaging with members and seeking feedback and input on a draft plan. With both the SLSC and the Supporters Club currently reviewing existing plans and setting a direction for the future it is a great time to collaborate. We have therefore been working closely with the supporter's club to ensure that both committees are working towards a common direction.

The committee changed to structure of our meeting during the season so that every other month is spent on the strategic direction of the club where we focus on things like the strategic plan, constitution, by-laws and policy review and development.

We have continued to develop our volunteer recognition program by awarding both a member & youth member of the month to recognise the efforts of our members that go above and beyond. We have also applied for service awards for all eligible members and presented these at the annual dinner and presentation night "The Coolies" and we continue to nominate members for recognition awards for the Point Danger Branch Awards of Excellence.

I would like to thank that committee for their support and dedication to the Club. We have a great team that works collaboratively to ensure that Coolangatta SLSC is a great family friendly club that will remain sustainable into the future.

Hon. Treasurer's Report

Damien Ling

Well, what an interesting 12 months that we have experienced. We have seen the continuation of lock downs, restrictions of movement and other impacts on what we do as a community organisation. But from all the darkness, there is always light at the other end, and I for one am pleased to report that the Coolangatta Surf Life Saving Club Inc. has performed solidly during the 2020/2021 season and delivered an operating surplus of \$243,622 up from last season's surplus of \$152,929 this is despite seeing a reduction of total income by \$19,975 from last season to a total income for the 2020/2021 of \$988,668.

Some key factors to this are:

- Government Grants were up by 51% to a total of \$71,337
- Sponsorships were up by 564% to a total of \$30,056
- Donations were also up by 13% to a total of \$134,615
- Continued to collect COVID related employee assistance totalling \$34,900

It is encouraging to see that amid all the disruption to people's lives, memberships and thus membership fees were relatively stable, and I thank members for their support and continued faith in the club and its operations and what we offer as a choice of place to be.

We have also seen a reasonable uptake on the Queensland Government's Fair Play Grants which is fantastic to see, this program allows families to be involved in the nipper program where they otherwise would see the cost of membership as a barrier to involvement. I am proud to say that the club has supported this program by not only accepting the vouchers but covering the difference in cost. We saw a complete write off for Raffles due to the impacts of trading conditions within the supporter's club which was a significant impact to our earnings but was happily offset by increases in other areas. We effectively saw the same impact on the relatively modest BBQ, partly as we decided to include post nipper BBQ as an incentive and benefit to the members participating which was well received by all.

We did see a significant increase in insurance this season of around 52% from last season. This was queried with the brokers who noted that a combination of increased in our combined turnover and global insurance market conditions resulted in a significant increase to our business interruption component of the insurance. We are hoping that this stabilises in this year's round of negotiations of the SLS national insurance scheme. Generally, the decrease in merchandise sales is due to holding lower levels of stock and fewer sales in general due to COVID. The club has been working to make merchandise available and are working to minimise the inherent risk to the club of stock on hand v cost and delivery times for members. As everyone can imagine we saw a large drop in fundraising compared to previous years, mostly due to the lack of opportunity and the understanding for a period, that people in general were being quite frugal whilst still understanding the impacts of the COVID related measures.

Supporters club distributions down slightly and there are several reasons for this however because of the strong financial position we had built, the SLSC was able to provide rental relief to the supporter's club allowing them to protect cash flow in uncertain times. We saw reduced payments and then return full rental payments towards the end of the financial year which was a welcomed return to confidence for all parties involved.

HON. TREASURER'S REPORT CONTINUED

The two club committees have communicated exceptionally well and made sound financial decisions in the interest of all club members including allowing the supporters club to access the draw down facility of the loan to the value of \$120,000 in May/June. This allowed for some refurbishment work to be undertaken while the club was shut from trade and in preparation for the club re-opening. This amount redrawn from the loan and had since been paid back of the back of exceptional trade and performance of the supporter's club

Again, a huge thanks to the supporter's club who made a total of \$477,682 of cash and in-kind contributions over the past 12 months including contributing fantastic meals to the club for patrols and committee meetings. As noted in the notes accompanying the financial statements, the SLSC is dependant significantly on the distributions from the supporter's club. Thanks to all the supporters committee, Steve Edgar and the staff for their professionalism and willingness to work together as a single unit for the betterment of both entities. I thank GCCC, the Queensland Government (through multiple organisations), Federal Government and other grant funding providers for their generosity and looking favourably at what we do through this period.

Grants included:

- GCBF covering the cost of a new patrol arena and shelving in the clothing storeroom.
- Westfund providing a new defibrillator.
- COVID Safe Active Clubs Kickstart Round 1 providing replacement nipper boards.
- Active Restart Infrastructure Recovery Fund - Round 1 providing replacement senior boards.
- GCCC COVID recovery for cleaning equipment including blower and wet vac.

- QRIDA small business adaption grant covering operational cost during COVID.
- COVID Active Clubs grant covering IT updates allowing further professionalism of our operations.
- QFES Lifesaving development fund covering the cost uniforms and PFD's.
- Beach Safety Equipment Fund covering the cost of new radios and rescue mannequins.
- Energy Australia Grant covering the cost of some upgraded First Aid room furniture.
- Stronger Communities grant covering the cost of replacement paddle boards.

We've more than grabbed our fair share and we have a good process in identifying available grants and applying to reduce the impact of capital replacement within the club. I would also like to acknowledge the fantastic support of GCCC in granting additional donations by way of reductions in rates and services charges that significantly reduce our outgoings year on year. A few years ago, we decided to invest in some tap and go terminals to collect donations, primarily for the surf appeal at the time, however these have been in place within the supporter's club collecting passive donations from patrons and visitors alike to the tune of \$1,869 donated through the donation point terminals for the past financial year.

There are dozens of people I would like to thank for the various roles they play in the collective financial machine so I would like to thank Daniel Hoyland OAM, Steve Edgar and the rest of the Sponsorship team for their incredible efforts in the last 12 months bringing in some serious dollars in sponsorship and gifts in kind from suppliers. I want to thank our donors who have donated cash and goods with zero expectation of any fanfare and an especially big thanks to Noel and Sue Holmes who continue to be incredible supporters of the club with a total of \$50,000 donated to the club in the 2020/2021 season.

HON. TREASURER'S REPORT CONTINUED

Even though we experienced some nervous moments throughout the season, we finished with a strong cash position.

We learnt a lot of valuable lessons from the impact of the Commonwealth Games and since then both clubs have worked hard to ensure that we could better handle unforeseen impacts on trading and subsequent income. Little did we know that COVID was the test and I think it is safe to say we are currently passing the test. COVID still lingers and continues to threaten restriction, limits on trade, closures of state and international borders and we are well prepared to progress forward.

We have been continuing to improve our process in amongst all the other operational demands that club life has on our volunteers and employees and will continue to develop and refine these systems and processes to limit risk to individuals and the association. We have invested technology and have seen great improvements for our POS processes and the transition of memberships to the SLS members portal has been a great move. Cash handling is one of the single biggest risks in clubs and volunteer associations and we have been working to limit the amount of transactions that involve cash to protect our members and staff.

Other matters to note from the season is that we have renewed our head lease with GCCC through to 30/06/2031 allowing us to move forward in working closely with GCCC on the future strategic development of the club as an integral part of the Coolangatta community landscape.

I would like to thank both committees for their support throughout the year and faith in my decisions and Di for her assistance, the role would not be possible without the assistance from the office. Lastly, I would like to thank my wife and kids for their understanding in the investment in time this role requires. Thanks everyone for a great 2020/2021 season and I look forward to another successful one in 2021/2022.

Yours in Lifesaving

Damian Ling

DIRECTOR OF LIFESAVING REPORT

Dion Ezzy

Thank you to all our members for making it another great year on the beach. This season has had its challenges including two spinal rescues that our teams are to be commended for. Our patrol teams have proven themselves to be amongst the best on our Gold Coast beaches not only coping with but going above & beyond to provide a service to 48,455 visitors. During the season they attended to 8 rescues, 493 preventative actions and 105 First Aid treatments – well done all!

Thank you to our patrol captains and vice captains – we are fortunate to have great and experienced patrol leaders overseeing our patrol groups and our beaches.

Special thanks to patrol members that go above & beyond with extra volunteer patrol hours and water safety.

One of the great things I'm sure we can all agree on from this season on patrols is the great food supplied by the Supporters Club! Thank you to manager Steve Edgar and the always friendly staff – it makes our days on the beach all the more enjoyable.

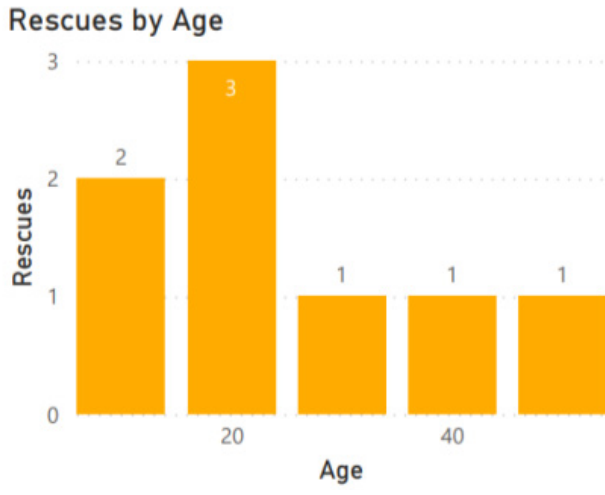

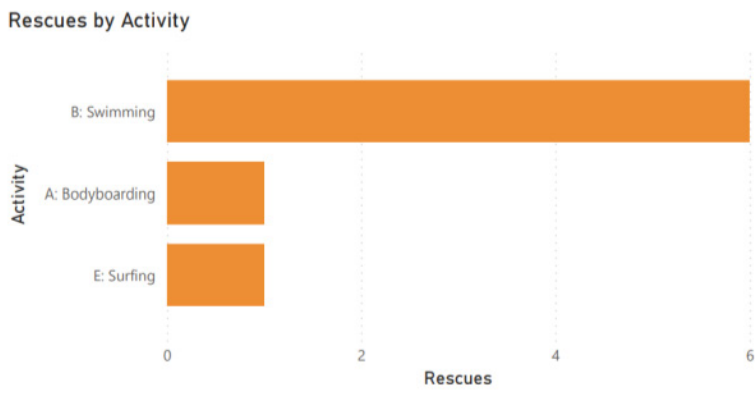

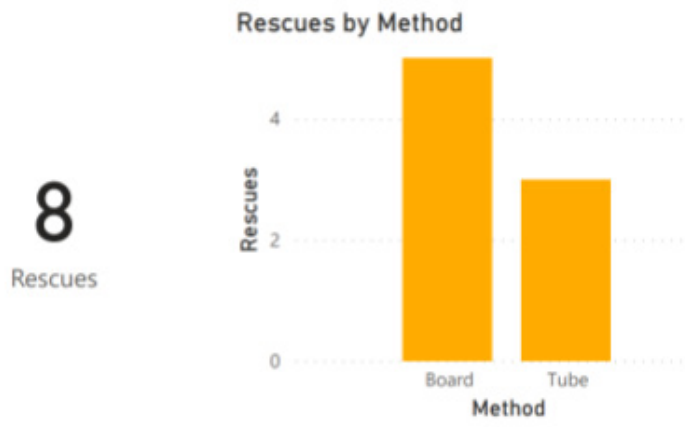

I look forward to welcoming you all back to our beautiful beach and great club soon.

SURF SPORTS REPORT

This may have been one of the strangest surf sports seasons to date. With the unprecedented impacts of COVID last season creating much uncertainty, hearing the gun go at the first event of the season was more than a relief. Yet again, the club was represented proudly. Once again, we are so grateful for the support of the surf club, officials, water safety and admin who help our competition team achieve the results they do. Cookie's Monster paddle was a great way to ease ourselves into the season. The ski group took part in a 20km Ocean Paddle from Coolangatta to Kurrawa on Sunday 23rd August 2020, organised by the one and only Alistair McCooke. Alistair, Tony Maguire, Gary Gee, Daryl Harding and Elizabeth Rudland paddled in support of the Myeloma Foundation with plenty of surf club members supporting them from land and from sea. This paddle was followed by the Beach-to-Beach Ocean Paddle, again with a large contingent of Coolangatta competitors paddling the 16km from Moffat Beach to Mooloolaba on boards and skis. Alistair, Tony and Elizabeth took out 19th, 10th and 1st place in their respective surf ski categories. Gary, Nick Fawaz and Brian Smith took out 7th, 10th and 11th respectively in their board categories. The first carnival of the 20/21 season was held at Palm Beach, for the masters' competitors.

Rough conditions proved for some tough racing; it was a great first hit out. Gary Gee must be commended for top three placings in all events. Nick Jones, Tony Maguire, Vincent Loubet, Brian Smith and Rohan Scaysbrook all had some awesome races. Joined by some new faces, it was awesome to see everyone getting in the spirit of competition, particularly in the relay events. Mick Ef, Shannon Buck, Ginger Baker, Craig Chichester made debut appearances in the men's events while Sascha Chong raced for her first time. Tracey McCooke, Susie Harker, Kylie Starling, Caroline Bellenger and Sacha should all also be commended on some strong relay results, complimenting their individual efforts. Each competitor raced to the best of their ability, with a positive attitude and a smile!

After the success of Palm Beach, it was off to Southport Masters Carnival. With a considerably smaller team of 9, team Cooly took out 3rd overall after a massive day of racing against 20 other clubs!! Not only did we win on points, we took home the team of the day claim, quoted as having 'a camaraderie second to none'. Performance of the day went to Gary Gee, Tony Maguire and Daryl Harding, taking out overall first place in the taplin. Gary took 2 seconds and a third in his individual events while also backing up for pretty much every relay. Again, each competitor raced hard and fast. Elizabeth Rudland represented the club at a multitude of local carnivals including Oceans 38 R1 and R3 at North Kirra and Tugun SLSC. She also represented the club at Summer of Surf Round 1 (BHMP SLSC) and Summer of Surf R3 (Northcliffe SLSC), along with Gary Gee. Semi-finals were achieved, as were quite substantial wipe-outs in some trying surf. Nick Jones and Daryl Harding competed at the QLD Board riding championships in January, coming away with a bronze and a silver for Nick. Daryl placed 4th in the short board event. Congratulations boys! Elizabeth Rudland also competed at both PDB and QLD Surf Rescue Championships, placing 1st and 1rd respectively in the open women's Champion Lifesaver event. Rumour has it this is the first open medal won for Coolangatta SLSC in 32 years. She also qualified for the Australian titles as a result and took out 7th position. This event runs over multiple days and tests theoretical knowledge, resuscitation skills and physical skills in the surf.

In what may have been the hottest, most humid day of summer this year, our little board and ski team took on the branch championships at North Kirra.

SURF SPORTS REPORT CONTINUED

Gary Gee took a medal in every individual event in the master's division, as did Elizabeth Rudland who took out all open individual water events. Tony Maguire was the resident ski specialist, playing an integral part in relays. Vincent Loubet showed that putting the work in pays off, with a collection of fine results. Nick Fawaz (Mr. Run Club) took out the 2km before backing up and chasing Gary around the board cans. Phil Wyper, Susie Harker, Brian Smith, Rohan Scaysbrook, Jen Graham and John Stormon should also be congratulated for their efforts. It was a day of hot, hard racing with plenty of amazing results, showing just how hard our competitor's work, leaving the beach with 17 medals. QLD State Championships were held at Tugun SLSC. Friday's and Saturday's masters events resulted in a 12th placing overall. Over the course of the two days, 14 medals were won on the sand and in the water, with 15 competitors representing the club. Some of the most impressive results include Nick Fawaz - 1st in the 50-54 2km Beach Run, Jennifer Graham - 1st 65-69 Surf Race, Gary Gee and Nick Jones - 2nd 35-39 Board Rescue, 170+ Mens relay who took 2nd and both Coolangatta Double Ski Teams who took out 3rd in their respective age group finals. We had two open board and ski competitors - Gary Gee and Elizabeth Rudland competed in the final of the open mixed double ski, coming a very impressive 12th out of 17 teams on the line. It should be noted that they were up against an assortment of Olympians and Australian medallists. Elizabeth also competed in individual events.

The Australian Champions were held on the Sunshine Coast in late April and capped off what felt like a very long season. Once again, our relatively small team did an outstanding job. Nick Fawaz took out the 50-54 2km beach run, Phil Wyper claimed 2nd in the 55-59 flags, William Ryan placed 4th in his 75+ 2Km run, 170yrs Beach Relay placed 4th, Gary Gee took out 6th in his Board final. These are but a few of the many outstanding performances. The standard of competition was high; each competitor did their absolute best and represented the club in some very tough fields. The open competition was contested by Elizabeth Rudland and Gary Gee, who raced in the Open mixed double against yet another very tight field, only just missing the semi-final. Elizabeth then also competed in the board, ski and surf races, narrowly missing the surf race final. With the conclusion of the Australian Titles, came the conclusion of the surf competition season. Behind the scenes, the amount of work that goes into organising training, doing entries, uniforms, maintaining equipment and facilitating competition is astounding. To those who have been involved with ensuring we can compete to the highest standard - Thankyou. Here's to next season.

AWARD TRAINING

CHIEF TRAINING OFFICER REPORT

Kylie Keegan

Firstly, I would like to thank Alistair McCooke who worked tirelessly as CTO for the first half of the 2020/21 season and really set the training team up for a successful year.

There were definitely still some challenges with Covid 19 restrictions. Despite this, we still conducted 3 bronze/ SRC squads resulting in 14 new BM award holders, 1 Observer and 3 new SRC award holders. Not only have these new members jumped straight into patrolling, many have also assisted with fundraising and water safety as well. Great job to them all!!

This season we held 1 IRB course, training 3 new crew and 2 new drivers. Unfortunately, our second course for the season was cancelled due to low interest however a course will run close to the commencement of the 2021/22 season.

Other awards gained include 21 SSV Inductions, 19 Tractor Inductions and 2 new TAF awards.

Congratulations to Damian Ling for gaining his BM assessors and to Dion Ezzy for gaining his BM Training Officer.

Peter Selosse also completed his Assessors upgrade and will shortly be a second Cert IV holder for the club which will be a great asset.

A total of 44 Emergency Care awards were completed during the 2020/21 season. A huge thanks to Belinda Doman whose commitment to upskilling her own awards allows us to complete these courses in house for our members. Due to the removal of ART from the Bronze Medallion training, we again saw a downturn in the number of members completing this award at only 4. First Aid training however remained strong with a total of 23 members gaining or updating this qualification in the 2020/21 season. Proficiencies ran fairly smoothly this year with the introduction of online learning and the SLSA Assessing App reducing the paperwork required. We ran a total of 4 sessions with the 4th being postponed into the new year due to beach closures on the original date. A huge thanks to all those who helped with this, particularly Alistair McCooke, Tracey McCooke, Belinda Doman, Phil Hammond, Marg Cargnoni, Janeen Nowlan, Dion Ezzy, Garry Bell and Damian Ling.

CHIEF TRAINING OFFICER REPORT CONTINUES ~

The Bronzies Day tradition continued and it was great to see the majority of new Bronzies attend and be presented with their personalised cap. Due to Covid 19 restrictions postponing the 19/20 event, we were lucky enough to hold two Bronzies Days this season and I am proud to say that the representation at both from our members was outstanding. Some of the braver ones battled the surf to lay wreaths in remembrance of those we have lost. And, we even got to see our members put their First Aid skills to use on one of our own. Huge appreciation must go to Danny Hoyland for the work he puts into this event, it truly takes pride of place on our Cooly calendar and is a great reminder of the importance of what we do as lifesavers.

Thank you to all those who have supported me through the season, not least my amazing training team of Phil Hammond, Peter Selosse, Alistair McCooke, Jenny Magginis, Dion Ezzy, Damian Ling and Belinda Doman.

To those who put their hand up for water safety, we simply couldn't do our role without you! And to Di, thanks for all the work you do behind the scenes in getting a course up and running. No task has been too big an ask and your support has been greatly appreciated.

Looking forward to the 2021/22 season, there is already great interest from nipper parents to complete their bronze medallion which I know Tracy and her JA team are very excited for. As always, we look to our members to promote our great Cooly culture and to encourage people they know to give Surf Life Saving a try. There truly is a place for people of all ages and abilities and if you want to know more I'm just a phone call away. A final thought from me:

“Learning is a treasure that will follow its owner everywhere”

BRONZIES DAY & FALLEN LIFESAVER MEMORIAL DAY

This season we conducted two Bronzies & Fallen Lifesavers Memorial days due to the COVID pandemic. The first cap ceremony was held on Sunday 29th November, 2020 with special VIP guest Commissioner of Police Katarina Carroll APM. Katarina made a special presentation of a rescue board necklace to Deputy President Belinda Doman for being awarded SLSA Volunteer of the Year..

There was a big turnout by the Cooly red & yellow crew, supported by VIP's including State Member for Currumbin Laura Gerber, GCCC Gail O'Neill, Assistant Commissioner QFES Kevin Walsh, & Cath Nielsen BM.

Our second ceremony was conducted on Sunday 2 May, 2021 and special VIP guest was the creator of Police Remembrance Day former Inspector Bluey O'Gorman, & QPS hero Scotty Hill BM supported by several VIP's. Bluey & Scotty spoke highly of what we do as volunteer first responders, it was very emotive. The day started with a acknowledgment to country by Ewan O'Connell, & "what it means to be a junior member of Coolangatta SLSC" speeches by Grace Govenlock, Jayda Crawford, & indigenous National Anthem sung by Sophie Markou.

The Cooly nippers sang the National Anthem.

At the conclusion of both cap ceremonies, the red & yellow members marched to the waters edge, shoulder to shoulder, mate beside mate. The Westpac Lifesaver Helicopter & IRB Crew skippered by our Captain Dion Ezzy & crewed by Steve Ward laid wreaths at sea and the Cooly Lifesavers paid their respects by a minutes silence.

Surf Woman of the Year Report

Chloe Dunemann

Surf Woman of the Year has been an extremely valuable experience for me, developing my surf life saving skills, public speaking skills and encouraging me to be the best version of myself. I have made lifelong friends and learnt so much about myself and I am so grateful for that.

This experience has been challenging, encouraging and so much fun. This program has only increased my passion for helping others and serving the community to the best of my ability. Surf Life Saving has taught me so much more than the skills required to ensure the safety of beach goers, it also has taught me so much about being a part of a team. Everyone plays a role in making Coolangatta the best it can be and this is something I admire about our members.

I am so thankful to have been given this opportunity and I cannot wait to explore all the other opportunities Surf Life Saving has to offer while spreading our vital messages of being safe in the water and swimming between the red and yellow.

Cooly Cobias

“5 minute warning!!” Captain Hammo shouts at 7.55am every Sunday between Mother’s Day in May till Father’s Day in September at Coolangatta Surf Club. Then it’s ... cap and goggles? - check; ..togs? - check; ..wetsuit (optional)? - check; ..flippers (optional)? - check. Am I good to go? ... must be!

“Guns up!!”. Hammo’s next call at 8.00am on the dot, and up to 40 (and sometimes more) brave souls head off for the Cobia’s Sunday morning ocean swim. But not before a sometimes inappropriate, but always funny joke (well....?), from Russ or Hammo. Russ says he gets them from around the world... really? Then we’re off for the walking, talking, laughing stroll along the beach to the designated start chosen by Hammo and his very capable deputy Susie, somewhere along this amazing coastline – Cooly, Greenmount, Rainbow, Kirra....Who are the Cobias? The Cooly Cobias (named after the impressive large Gold Coast local kingfish – just ask Jim) celebrate our 10th season of winter ocean swimming this year. The Cobias are a hardy bunch of ocean swimmers, most of them members of the Coolangatta SLSC, but others as well. The Cobias actually do the same thing through the summer – an ocean swim from the Coolangatta SLSC, but winter got the Cobias going. Every Sunday from May till September at 8.00am the Cobias compete for 3-2-1 points based on our estimated times to complete our chosen swim. Each week it is different, and it is not the fastest, but it could be.

Our experienced lifesavers select a safe ocean swim based on the conditions which could be from 1 to 2.5ks, or even a relay event, always with “water safety” travelling with us, and often with help from the renowned Greenmount to Cooly “sweep”. Some of the crew use the sweep too well, showing a bit of “ocean nouse” but there is always someone there to show the way. And the newcomers (“tadpoles”) soon learn, we love to get them on board. Formed to assist our lifesavers to keep up some winter fitness back 10 years ago the Cobias Ocean Swimming Group is a very popular section of the club, growing all the time – keeping fit, and keeping our ocean skills where they should be. Most of the Cobias are qualified lifesavers who patrol during the summer and any new member is encouraged to get their Bronze Medallion and do the same, but that’s not essential. We welcome newcomers and we see new swimmers every week. Soup deloop. During the winter season the Cobia’s swims are followed by a mug of soup, made fresh each week by a volunteer from our Cobia’s team, and the points score tally, a bit of banter about why “I should’ve got the points this week”, the odd fine and more jokes from Hammo and Russ (heaven forbid), as well as a bit of club history from Jim (just ask him). Another great start to a winter Sunday. Club. The Sunday Cobias bring together members from ALL different sections of the club with a common goal to enjoy a swim. We’ve got boaties (both male and female), senior competitors, just “seniors” (sorry, “our more mature” members), junior competitors, and regular visitors from other clubs, and beyond. This continues to develop a positive club culture and a weekly reason to participate – a valuable commodity in any club environment. Hammo, Susie, Smoky, Snorkel, Jim, Sash, Evie, Russ, Greg, Barnacle Bill, Kylie, Jess, Jen, Sam, Caroline, Chez, a couple of Yvonne, James, Gil, Brian, Jim, Stormo, Mark, Steve and a bunch from Kurrawa, a bunch of “tadpoles” (our first, second and “getting there” timers) and many, many more each week – all contributing to a fit and social camaraderie building a strong club spirit.

So come and join us and experience swimming at arguably the best stretch of beaches in the world.

John Stormon (Team Cobia)

Junior Activities President

Tracy Maidment

Season 20/21 Coolangatta's 29th season of Nippers

We may not be a big club, but I feel we are a club with a huge heart & I have thoroughly enjoyed this season. I am pretty sure every Nipper had a smile on their face every Sunday morning.

This season was filled with a WONDERFUL Nipper committee & Families that made it a successful season. Our Parents & helpers were always willing to help with packing up, BBQ, taking photos & anything else that needed doing. A Massive Thank you, as this makes the day run smoother. With Carnivals galore we had many of our Nippers competing for their first time. Sincere Thanks to our Team Managers, Age Managers, Coach, Water Safety & Officials for always being at every carnivals & supporting our Nippers.

From the first carnival of the season kicking off in October 2020 to the Final in March 2021 being The QLD Youth Championships. 8 competitors competing @ the State Champs....Alastair McConnell, Chloe Smith, Cailin Nicholls, Lily Markou, Ella Hicks, Ewan McConnell, Lachlan Smith & Daniel Ravoul. Congratulations to all our Nippers who competed at this seasons Carnivals. So proud of you all who put on our club colours & competed throughout then season. Thank you to Danny Hoyland (VP Sponsorship) for organizing Businesses to help us with Nipper awards every week.

Thank you to the never-ending support from our Coolangatta's Supporters club (Steve Edgar) for our "Nipper of the week" awards. The Nippers also enjoyed awards from Grill'd Coolangatta, Noodle Box Coolangatta, Zambreros, Cold Rock Cooly Special thank you to all our Generous Volunteers that make Cooly Nippers "The best place to be every Sunday morning."

I would be lost without the following members:

Secretary – Annette Alexander

Deputy JAC – Belinda Doman

Treasurer – Damian Ling

Coach – Dan Homer

Beach Co Ordinator – Mick Taylor

Chief Water Safety – Liz Rudland & Gary Gee

U11- Claire Hicks, Liz Markou & Elaine Harvey

U12- Alain Nicholls

U13 -U14 – Jamie Free & Naomi Crawford

Teams Managers Alain Nicholls, Claire Hicks & Zoe Day

Thank you Sincerely!

JUNIOR ACTIVITIES PRESIDENT REPORT CONTINUES ~

Stu Marshall, Christine Marshall, Nigel Ward, Dion Ezzy, Brian Smith, Mark Nowlan, Mick Taylor, Gill Fleming, James Fripp, Cattanach, Ben Keevers, Kylie Keegan, Cody Maidment, Kevin Maloney, John Longworth, Steve Ward, Shannon Buck, Tony Maguire, Di Lewis, Danny Hoyland, Steve Edgar, Darleen Redman, Karen Ward, Marg Cargnoni, Steve Edgar, Belynda, Troy Harris, Monique Burns, McNaughton, Craig Chichester, John Fraser, James Graham & everyone else who helps our the Nipper Family.

Sunday Mornings from September to March Coolangatta Nippers is defiantly the place to be. We teach Our Nippers about Water, Beach Safety, & have so much fun doing so. This season we celebrated Australia day with Thong throwing comps, lamington eating, sausage relays. Our end of Season Presentation Break up day we bought back the ever-popular Colour run.

Congratulations to all our Age Champions, Most Improved & Club Spirit Award winners. This season we also had 15 Nippers turn up every Sunday to achieve 100% attendance. Just goes to show how much our everyone enjoys being at Nippers.

Thank you to all the Mums, Dads & carers. Thank you everyone. I have truly enjoyed this season working alongside you all.

I look forward to our 30th Season for 2021/22.

Margaret Cagnoni	Secretary	
Steve Ward	Safety Officer	
Stuart Marshall	VP Building Committee	Term ended 12 July 2020
Tracey Maidment	Junior Activities Chairperson	

Principal activities

The principal activities of the association during the financial year were to promote, advance and control the work of Surf Life Saving and encourage members to realise their potential and athletic abilities through education and participation in surf life saving competition.

Significant changes

The impact of the Coronavirus (COVID19) has had a significant impact on the club including the cease of trade between mid-March 2020 and July 2020. The COVID19 pandemic is ongoing, and whilst it has impacted the club's operations up to 30 April 2021, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided. No significant change in the nature of these activities occurred during the year.

Operating result

The surplus for the financial year after providing for income tax amounted to \$ 243,622(2020: \$ 152,929).

Auditor's Independence declaration

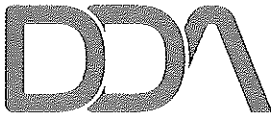

A copy of the Auditor's Independence Declaration as required under s80-40 of the *Australian Charities and Not-for-profits Commission Act 2012* has been received and can be found on page 2 of the financial report.

Signed in accordance with a resolution of the Members of the Committee:

**AUDITOR'S INDEPENDENCE DECLARATION UNDER S 60-40
OF THE AUSTRALIAN CHARITIES AND NOT-FOR-PROFITS COMMISSION ACT 2012 TO THE COMMITTEE
MEMBERS OF COOLANGATTA SURF LIFE SAVING CLUB INC**

I declare that, to the best of my knowledge and belief, during the year ended 30 April 2021 there have been no contraventions of:

- i. The auditor independence requirements as set out in s 60-40 of the *Australian Charities and Not-for profits Commission Act 2012*, and
- ii. Any applicable code of professional conduct in relation to the audit.

Notes to the Financial Statements For the Year Ended 30 April 2021

1 Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (QLD) 2020*). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

Comparatives are consistent with prior years, unless otherwise stated.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(b) Property, plant and equipment

Property, plant and equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all Property, plant and equipment is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

(d) Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

(e) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

(f) Trade and Other Receivables

Trade and other receivables include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Coolangatta Surf Life Saving Club Inc

ABN 36 837 670 575

Notes to the Financial Statements For the Year Ended 30 April 2021

1 Summary of Significant Accounting Policies (continued)

(g) Revenue and other income

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Fundraising, sponsorship, and donation income is recognised when the association takes control over the funds, which is generally at the time of receipt.

Grants with conditions attached which must be satisfied before the contributions will be received will be recognised as revenue only when those conditions have been satisfied. Until these conditions have been met the subsidy will be reflected as Unspent grants.

All revenue is stated net of the amount of goods and services tax.

(h) Leases

Leases of Property, plant and equipment, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(i) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(j) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(k) Inventories

Inventories are measured at the lower of cost and net realisable value.

Coolangatta Surf Life Saving Club Inc

ABN 36 837 670 676

Notes to the Financial Statements

For the Year Ended 30 April 2021

1 Summary of Significant Accounting Policies (continued)

(l) Economic dependence

As at 30 April 2021, current liabilities exceed current assets by \$71,600 (2020: \$202,453). The Association receives donations each year from Coolangatta Surf Life Saving Supporters Club. The Association is dependent on the continuation of these donations in order to maintain operations at the current level. As at reporting date, the Committee is of the opinion that these donations will continue in the foreseeable future.

(m) Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets.

Inventories

Management estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date.

Notes to the Financial Statements For the Year Ended 30 April 2021

14 Contingent Liabilities

There are no contingent liabilities that require reporting for the year ended 30 April 2021 (2020: nil).

15 Post Reporting Date Events

As noted in Note 1(i) Economic Dependence the association is dependent on donations from the Supporters Club.

The impact of the Coronavirus (COVID19) has had a impact on the club, in particular reduction in income generation activities (eg fundraising) due to restrictions on club operations. The COVID19 pandemic is ongoing, and whilst it has impacted the club's operations up to 30 April 2021, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided

There are no other matters or circumstances that have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the club, the results of those operations or state of affairs of the association in future years.

Coolangatta Surf Life Saving Club Inc

ABN 36 837 670 675

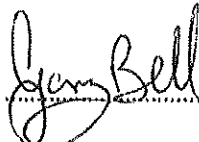

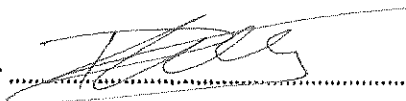

Statement by Members of the Committee

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

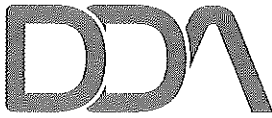

In the opinion of the committee the financial report as set out on pages 3 to 12:

1. Presents a true and fair view of the financial position of Coolangatta Surf Life Saving Club Inc as at 30 April 2021 and its performance for the year ended on that date in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (QLD) 2020*); and.
2. At the date of this statement, there are reasonable grounds to believe that Coolangatta Surf Life Saving Club Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

Committee member  Committee member 

Dated this 28th day of June 2021

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
COOLANGATTA SURF LIFE SAVING CLUB INC.**

Opinion

We have audited the financial report of Coolangatta Surf Life Saving Club Inc, which comprises the statement of financial position as at 30 April 2021, the statement of profit or loss and other comprehensive income for the year ended, statement of changes in equity, statement of cash flows and notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of Coolangatta Surf Life Saving Club Inc as at 30 April 2021 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter – Cash Receipts

The association processes cash receipts for membership, donations, raffles, apparel and BBQs. Our audit work addresses the risk of material misstatement of financial reporting with regard to the level of cash transactions and review of internal controls in this regard. Although our audit did not identify any significant reporting issues in this regard, the misappropriation of cash is an inherent risk to the association.

Other Matter – Going Concern

Without modifying our opinion, we draw attention to note 1(l) to the financial report. The Association's current liabilities exceed its current assets by \$71,600 (2020: \$202,453) as at reporting date. The Association receives donations each year from the Coolangatta Surf Life Saving Supporters Club. The Association is dependent on the continuance of these donations to maintain operations at the current level. As at reporting date, the committee members are of the opinion that these donations will continue for the foreseeable future.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)*. As a result, the financial report may not be suitable for another purpose.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 1981 (QLD)* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Audit and Assurance

Registered Company Auditors

Tracey Adorn, Gavin Dunn.

Liability limited under a scheme

approved under Professional

Standards Legislation.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
COOLANGATTA SURF LIFE SAVING CLUB INC.**

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
