# WELCOME TO NIPPERS!

For those members returning, we hope you have another great season of sun, surf and sand at Cooly Beach. For all new families, welcome to the great tradition of Surf Life Saving with the greatest club – Coolangatta SLSC.

Our aim within the Nipper movement is to create a fun environment for all children to learn new skills and, above all, safety in the surf. Nippers' official title in the Surf Life Saving ranks is "Junior Activities". We consider all our Nippers as future lifesavers, learning how to keep Australia's beaches safe.

## AGE MANAGERS

Parents or club members who volunteer their time on a Sunday morning to develop the surf lifesaving skills of Nippers in a fun, safe and organised environment. An Assistant Age Manager award is also available for youth between the ages of 13 and 15 years to help with Nippers.

## WATER SAFETY

Water Safety personnel are crucial to the operation of Nippers on a Sunday, at water training sessions and carnivals, as they ensure Nippers remain safe whilst in the water.

Water Safety personnel are parents, patrol members or other club members over the age of 13 who have completed their Bronze Medallion or Surf Rescue Certificate (SRC).

## PARENT INVOLVEMENT

Parents are encouraged and expected to be actively involved in their child's Surf Life Saving Education, and Nipper's love having their parents join in. Parent involvement is vital to the running of Nippers and can be done with any skill level.

If a child wishes to compete at a carnival, parent assistance is required in either official capacity ie Water Safety/Officials or assistance with Age/Team Managers present.

## WEEKLY AWARDS

- Each week, Age Managers select a Nipper within their Age Group who has demonstrated sportsmanship, effort, a positive attitude or improvement
- The Nippers selected will be acknowledged and presented at the next Nipper morning
- They will also go into a 'Nipper of the Week' draw to win a great prize and must be present to win

Weekly Awards include Nipper Meal Vouchers from our Supporters Club – The Surf Club Coolangatta and other kindly donated vouchers. A list of current sponsors will be displayed at Nippers weekly.

# HOW PARENTS CAN HELP

Each Sunday, parents/s and Nippers are required to assist in making Nippers a great experience for everyone. This is a fantastic opportunity for our Nippers to learn from us the importance of community involvement and community service. Any member help is greatly appreciated and Many Hands Make Light Work.

## SET UP

Please arrive early each Sunday if possible, to assist our Gear Steward set up the beach stations in preparation for Nipper activities.

## BBQ

Our BBQ Coordinators require assistance from approximately 9:15am each Sunday to assist with preparing, cooking and serving food for our Nipper families. Age Groups are rostered for BBQ duty weekly, which will be posted and announced weekly at Nippers.

## PACK UP

Please help on the beach at the end of Nippers to assist with packing up the equipment on the beach. Alternately you can assist outside the clubhouse to hose down the boards and pack up the Nippers trailer.

## RAFFLES & FUNDRAISING

### Major Club Raffles

Major raffles form a part of our club's fundraising each year ie Australia Day raffle, Easter etc. Tickets are sold upstairs in our restaurant and bar area. If you are available to fill a spot on the rosters to help represent the Nipper section, it would be greatly appreciated.

### Coolangatta Gold & Cooly Rocks On

Each year our club hosts the iconic Coolangatta Gold event. This, and Cooly Rocks On, are major fundraising events in our annual calendar. Lots of assistance from members is required and the turnout of members to help at these events highlights the camaraderie and teamwork at the club. A few hours can make a big difference to the overall success of the event, so please consider signing up to help out. Look for sign on sheets around the club to register, in the lead up to the events.

## OTHER WAYS TO HELP

- Assist your Age Manager run beach activities
- SLSA are introducing a new Nipper Safety Award (NSA) to help with water safety in the U6-U8 Age Groups. Stay tuned for more information.
- Become an Age Manager
- Become an Official, so Nippers can compete at Carnivals
- Complete a Surf Rescue Certificate or Bronze Medallion to assist as Water Safety personnel
- Complete an SSV/Tractor course to assist with setting up and packing up the beach
- Utilise the bar, café and bistro facilities in the upstairs Supporters Club and the Board Short Barista Café downstairs
- Assist when our club is hosting carnivals at our beach and other fundraising initiatives

# CARNIVALS

Attending Junior Surf Life Saving Carnivals can be a fun competitive way of improving your child's surf skills and nurtures great team spirit. Whilst we encourage participation at Carnivals, it certainly is not compulsory. Coolangatta SLSC is a member of Point Danger Branch (PDB), who conduct carnivals during the season for U8's and above. These carnivals are competitions between the different surf clubs within the southern end of the Gold Coast from Tallebudgera to Rainbow Bay. Carnivals are generally U8-U10 or U11-U14.

## CARNIVAL ENTRIES

- Upcoming Carnival dates and entry criteria will be announced at Nippers
- Nippers wishing to compete in Carnivals must:
  1. complete a 'Competitor Policy & Agreement' Form
  2. have fulfilled the level of attendance and proficiency, at both Nippers and Training, as specified in the Competitor Policy & Agreement, or required by SLSQ
  3. complete and submit a Carnival Nomination Form, by the due date
- Parents of children competing in Carnivals are expected to assist on the day

## CARNIVAL DAYS – WHAT TO DO

Please ensure each Nipper brings healthy food, water, sunscreen, club swimwear, Live Heats wristband if you've received one previously, club cap, High Vis pink Rashie and goggles if required. These Junior Nipper carnivals are often used as training for carnival officials so please be patient and be prepared for events to take a little longer. Please be at the club tent at least 30 minutes before the carnival commences for a team warm up.

- No jewellery to be worn during competition, girls or boys
- All non-officials and non-competitors are required to stay out of the competition area
- Age Managers will be responsible for their respective Age Groups and under the direction of the Team Manager
- When not racing, all competitors must remain under the tent. If you leave the tent you must inform your Age Manager or Team Manager
- The competition tents are for club officials, club water safety and most of all, our competitors so please bring extra shelter if needed
- Parents must let the Age Manager know as soon as possible if their child cannot attend a carnival or participate in an event once nominated. Nippers who nominate for a competition and do not attend may be required to reimburse the club for the entry costs. No child will be forced to compete if they do not want to or the Age Manager/Team Manager/Coach thinks they are not capable. Their decision is final and we ask all parents to support this
- No drinking of alcohol or smoking within the carnival area
- No photography or videoing is permitted in the competition area without a permit
- If you use club equipment, please respect it and return it when finished

*Coolangatta SLSC encourages all our competitors to participate in the spirit of sportsmanship and demonstrate pride in wearing the Red, White & Blue of Cooly SLSC.  
Enjoy the day, support your club mates and wear your club colours with pride!*

## CARNIVAL COMPETITION EVENTS

<b>U8</b>	wade, sprint, flags
<b>U9</b>	wade, sprint, flags, swim, board
<b>U10</b>	wade, sprint, flags, swim, board

<b>U11-U14</b>	sprint, flags, surf race, surf teams, board relay, board rescue, ironperson, run (1km U11, U12 & U13, 2km U14), cameron relay, beach relay, R&R, march past and pool rescue
<b>Wade (U8-U10)</b>	Competitors line up 10 metres before the water line and on the start signal enter the water and proceed to wade a 70 metre course around three people (standing in knee deep water).
<b>Wade Team (U8-U10)</b>	Teams of four conducted same as above.
<b>Surf Races (U9-U14)</b>	The competitors sprint from a line on the beach into the surf, where they swim around a can and then return to shore and sprint 15 metres to the finish line. This event combines swimming prowess with other surf skills such as porpoising, wading and catching waves.
<b>Surf Teams (U11-U14)</b>	Teams consist of four members, all of whom must complete the course. Teams are allocated points based on the finishing position of each team member to determine final placings.
<b>Cameron Relay (U9-U14)</b>	Teams of four (swimmer, two runners, and a board paddler). On the start signal, the swimmer enters the water for a 150 metre swim leg, returns to the beach to tag the runner who sprints 90 metres to tag the board paddler. The board paddler paddles a 200 metre course, returns to shore to tag the second runner, who then sprints to the finish line.
<b>Board Races (U9-U14)</b>	Involves paddling fibreglass or foam boards from the beach through the break and around a set of buoys and back to the beach, covering a distance of 300m.
<b>Board Rescue (U11-U14)</b>	Each team consists of a swimmer and aboard paddler. On the start signal, the swimmer enters the water, swims to the buoy and raises one arm to signal the board paddler. The board paddler enters the water, paddles to the swimmer and places the swimmer on the board to paddle back to shore. This is a test of surf skill and knowledge, for losing the board and the swimmer could bring disqualification.
<b>Ironperson (U11-U14)</b>	This is considered the penultimate event in surf lifesaving, and involves board, swim and sprint to test our young life savers' fitness and skills. The event involves a swim leg of 150m, a board leg of 200m, and a beach sprint of 30m.
<b>Beach Sprints &amp; Relays (U8-U14)</b>	The beach sprint is one of the most closely contested events and considered by many to be the 'blue ribbon' event of surf lifesaving carnivals. Competitors sprint a beach track of either 50m or 70m, depending on the age group. Beach relay teams consist of 4 competitors. All age relays consist of 2 competitors from each age group.
<b>Beach Flags (U8-U14)</b>	Competitors in this event lay face down on the sand, facing away from a 'flag'. After a whistle signal competitors spring to their feet, turn around and race to claim one of the 'flags'. This is a knockout event, so in each round one or two competitors are eliminated until there is only one competitor left.
<b>R &amp; R (U11-U14)</b>	These two and five-person team events allow members to demonstrate their teamwork, rescue, patient assessment, resuscitation and patient recovery.
<b>March Past</b>	This is a traditional event showing the colourful parade of Club pride. Teams of 12 are judged on their ability to march correctly to a pre-determined drill.
<b>Pool Rescue</b>	Traditional lifesaving competition in Australia occurs at a beach. In contrast, Royal Life Saving in Australia, and many countries around the world, have a focus on pool lifesaving and pool rescue competition. Competitors test their rescue skills in the pool with events such as manikin tows, obstacle swims and tube swims carrying patients. SLSA Pool Rescue competitions are usually held during the winter months. Further, it is now deemed virtually essential for athletes to have pool rescue skills among their credentials for consideration to be selected for Australian teams, enhancing the importance of this competition in rounding out a competitor's skill set.

## CHILD & YOUTH RISK MANAGEMENT STRATEGY

Creating safe and supportive service environments for children and young people is everyone's business. Coolangatta SLSC is committed to providing the highest standard of service, to ensure children and young people are kept safe from harm. Coolangatta SLSC's Child & Youth Risk Management Strategy is available to view, on request.

There is also a number of things that you, as a parent/guardian, can do to ensure that your child is in a safe environment while participating in Coolangatta SLSC activities as outlined below.

DO	DO NOT
Get involved and get to know your child's Coach/ Age Manager/ Trainer/ Supervisor. Maintain open and frank communication. Make an effort to attend training and carnivals whenever you can.	Let your child use the bathrooms unsupervised. If you are unable to use the male or female bathroom please use the middle inclusive toilet/shower.
Speak out when you hear language or attitudes that contribute to a negative or unsafe environment. You should, where appropriate, pursue your issues with the Club's Executive.	Put Coaches/ Age Managers/ Trainers on pedestals. Tell your children it's okay to say 'no' if the Coach/ Age Manager/ Trainer is doing something that makes them feel uncomfortable.
Seek approval from the Team Manager/ Age Manager/ Supervisor when you wish to interact with your child/children during team/group activities, especially if you wish to deviate from the group activity or program.	Accept any suggestion of private, closed training sessions. If they do occur ask the coach/trainer for an explanation.
If things occur that disturb you, talk to the Coach /Age Manager / Trainer / Supervisor about them.	Sling verbal abuse at officials, coaches, age managers or others.
Monitor closely any increases in the amount of time the coach/trainer spends with your children beyond the training/ activity session.	Ridicule your child for making a mistake.
Encourage your child to play by the rules.	Drop your child at Nippers and leave. There must be a parent in attendance at all times.
Limit communication, where possible, via social media messaging (such as text, email, Facebook or Instagram) between your child and their Coach/ Age Manager/ Trainer	Fully undress in the bathrooms unless you are in a cubicle, this applies to both adults and children. No nudity in the public area of the bathrooms as per the Child Safe requirements.
Avoid unsupervised activities/ circumstances e.g. If you will be late picking up your child, arrange for another parent or guardian to wait with your child until you arrive.	

*Know and abide by the Members Code of Conduct and encourage others to do the same.*

## COOLANGATTA SLSC

### STATEMENT OF COMMITMENT

Coolangatta SLSC is committed to safeguarding children and young people in our membership. We acknowledge that a child-safe organisation doesn't just happen; it requires conscious effort to protect children and young people from harm.

Coolangatta SLSC will work together to ensure a safe and inclusive environment for all children participating in our community. We recognise that our staff, volunteers and members must understand the important responsibilities they each have in relation to child safety. Every person bound by this Statement of Commitment must always place the safety and welfare of children and young people above all other considerations.

Several measures will be used to achieve this such as:

- Prohibiting any form of abuse against children;
- Providing opportunities for our juniors to contribute to and provide feedback on our program development;
- Carefully selecting and screening people whose role requires them to have regular contact with children;
- Ensuring our Code of Conduct for people in positions of authority, is promoted and enforced particularly for roles associated with junior sport;
- Providing and promoting avenues for raising concerns or complaints;
- Providing regular education and/or information to those involved in lifesaving on child abuse and child protection; and
- Ensuring safeguarding policy and procedures are communicated and understood by relevant staff and members.

Coolangatta SLSC requires that if anyone bound by this Statement of Commitment reasonably suspects that a child within our organisation, has been or is being abused, to report it immediately to the police or Department of Communities Child Safety and Disability Services, and to the association's Safeguarding Children and Young People online reporting portal.

All allegations of child abuse will be dealt with promptly, seriously, sensitively and confidentially. A person will not be victimised for reporting an allegation of child abuse and the privacy of all persons concerned will be respected.

Together we commit to provide an environment where children feel safe, respected and valued. As the President of Coolangatta SLSC, I hereby sign this Statement of Commitment on 27 July 2024.

Garry Bell  
President Coolangatta SLSC
